Surviving the Future David Fleming, Shaun Chamberlin, 2016 *Surviving the Future* is a story drawn from the fertile ground of the late David Fleming's extraordinary *Lean Logic A Dictionary for the Future and How to Survive It* That hardback consists of four hundred and four interlinked dictionary entries inviting readers to choose their own path through its radical vision Recognizing that *Lean Logic*'s sheer size and unusual structure can be daunting Fleming's long time collaborator Shaun Chamberlin has selected and edited one of these potential narratives to create *Surviving the Future* The content rare insights and uniquely enjoyable writing style remain Fleming's but are presented here at a more accessible paperback length and in conventional read it front to back format The subtitle *Culture Carnival and Capital in the Aftermath of the Market Economy* hints at Fleming's vision He believed that the market economy will not survive its inherent flaws beyond the early decades of this century and that its failure will bring great challenges but he did not dwell on this We know what we need to do We need to build the sequel to draw on inspiration which has lain dormant like the seed beneath the snow *Surviving the Future* lays out a compelling and powerfully different new economics for a post growth world One that relies not on taut competitiveness and eternally increasing productivity putting the grim into reality but on the play humor conversation and reciprocal obligations of a rich culture Building on a remarkable breadth of intellectual and cultural heritage from Keynes to Kumar Homer to Huxley Mumford to MacIntyre Scruton to Shiva Shakespeare to Schumacher Fleming describes a world in which as he says there will be time for music This is the world that many of us want to live in yet we are told it is idealistic and unrealistic With an evident mastery of both economic theory and historical precedent Fleming shows that it is not only desirable but actually the only system with a realistic claim to longevity With friendliness humor and charm *Surviving the Future* plucks this vision out of our daydreams and shows us how to make it real

**Paul and Seneca Among the Condemned** James R. Unwin, 2024-10-08 *Paul and Seneca Among the Condemned* The Use of Spectacle in the Early Empire relocates the comparison of these two figures from the philosopher's lecture hall to the amphitheaters of Rome and Corinth The book explores the sites and images of spectacle that littered the landscapes of the ancient world By examining archaeological remains alongside the letters of Paul and Seneca James R Unwin recreates their exhibitions of spectacle imagery What we discover in viewing these provocative scenes from the grim world of the arena are suggestive responses to sovereign power and state terror Their responses open up space for us to think through the reproduction of new arenas in our present world

**Colonial Australian Women Poets** Katie Hansord, 2021-01-08 My book traces the significant poetic and political contributions made by non canonical women poets situating women's poetry both in colonial Australian print culture and in wider imperial and transnational contexts Women poets in colonial Australia have tended to be represented as marginal and isolated figures or absent This study intervenes by demonstrating an alternative networked tradition of transnational feminist poetics and politics beyond and around emergent masculine nationalism particularly within

newspapers and periodical print culture Without the inclusion of periodical literature women s poetry in Australia during the colonial period would appear to have been fairly limited When periodical literature is taken into account this picture is radically altered and poets emerge as consistent contributors often across a variety of newspapers and journals who were well known influential and connected with political figures and literary circles In examining this poetry in the original context of the newspapers and journals the political intervention and the reception of that poetry is made much more apparent

**The Dionysian Gospel** Dennis R. MacDonald,2017-04-01 Those who eat my flesh and drink my blood abide in me and I in them Dennis R MacDonald offers a provocative explanation of those scandalous words of Christ from the Fourth Gospel an explanation that he argues would hardly have surprised some of the Gospel s early readers John sounds themes that would have instantly been recognized as proper to the Greek god Dionysos the Roman Bacchus not least as he was depicted in Euripides s play *The Bacchae* A divine figure the offspring of a divine father and human mother takes on flesh to live among mortals but is rejected by his own He miraculously provides wine and offers it as a sacred gift to his devotees women prominent among them dies a violent death and returns to life Yet John takes his drama in a dramatically different direction while Euripides s Dionysos exacts vengeance on the Theban throne the Johannine Christ offers life to his followers MacDonald employs mimesis criticism to argue that the earliest Evangelist not only imitated Euripides but expected his readers to recognize Jesus as greater than Dionysos
