during war humanitarian and natural disasters and flashpoints of global tension one government department has been charged with the critical role of representing New Zealand s interests overseas In doing so the Ministry of Foreign Affairs and Trade and its predecessors has needed to respond to ever evolving political and military allegiances trade globalization economic threats natural disasters and military conflict on behalf of a small nation that seeks to engage on the global stage while maintaining the principles that underpin its political institutions For more than 75 years the ministry has been served by some remarkable people dedicated to an organization that has reflected New Zealand s developing sense of nationhood and place in world This history of the foreign service edited by one of New Zealand s foremost historians captures the high stakes skill and intelligence involved in the development of a unique organization *The DAC Journal 2000 France, New Zealand, Italy Volume 1 Issue 3* OECD,2000-09-06 The journal of OECD s Development Assistance Committee This issue contains Development Co operation Reviews for France New Zealand and Italy **First to Care** Graeme Hunt,2009 FIRST TO CARE 125 YEARS OF THE ORDER OF ST JOHN IN NEW ZEALAND 1885 2010 brings to life the history of one of our most ubiquitous and vital charitable organisations The heavily illustrated book provides a vivid account of public spiritedness enterprise and innovation by people involved in St John over the past 125 years peppered with occasional disputes and setbacks along the way St John invented and popularised first aid as we know it It provided medical assistance from the sidelines of our sports fields from as early as 1891 and it played a leading role in disaster relief from its formative days From humble beginnings it established a nationwide ambulance service that today is the envy of the St John fraternity worldwide

Welfare is about the many points of contact between voluntary welfare and government social services and the complex pattern woven by these different threads The country s welfare history is shaped by its colonial past with the predominantly British influences transmitted by an immigrant society in the nineteenth century by its Maori population with a strong communal ethos by the shaping forces of the welfare state by two world wars and economic depression and by both free market policies and rapid social change in recent years In tracing the interdependence of state and voluntary provision of welfare from 1840 to 2005 Margaret Tennant offers new perspectives on New Zealand social history This is a rigorous analysis but it is also a history illuminated by people The text is illustrated with stories about the people who were moved to save to reform to care to support and the people who needed that essential sustenance From the nun who sees a distraught woman about to throw her child into the sea and sets out to care for foundlings to city missionaries community minded public servants businessmen philanthropists and the entrepreneurial organisers of floral fetes and telethons these accounts tell us much about the history of welfare in all its interconnections *Reaching the Marginalized* ,2010-01-01 Children at risk of marginalization in education are found in all societies At first glance The lives of these children may appear poles apart The daily experiences of slum dwellers in Kenya ethnic minority children in Viet Nam and a Roma child in Hungary are very different What they have in common are missed opportunities to develop their potential realize their hopes and build a better future through education A decade has passed since world leaders adopted the Education for All goals While progress has been made millions of children are still missing out on their right to education Reaching the marginalized identifies some of the root causes of disadvantage both within education and beyond and provides examples of targeted policies and practices that successfully combat exclusion Set against the backdrop of the global economic crisis The Report calls for a renewed financing commitment by aid donors and recipient governments alike to meet the Education for All goals by 2015 This is the eighth edition of the annual EFA Global Monitoring Report The Report includes statistical indicators on all levels of education in more than 200 countries and territories *The New Zealand Official Year-book* ,1928 [Index of NLM Serial Titles](#) National Library of Medicine (U.S.), A keyword listing of serial titles currently received by the National Library of Medicine

Abolishing the Military Griffin Leonard,Joseph Llewellyn,Richard Jackson,2023-11-01 In an era of escalating global conflicts this book challenges the conventional belief that nation states need military forces to ensure their security and contribute to international peace As academic discourse on non violent methods of national defence and global peace promotion gains momentum there is growing evidence supporting the viability of such policy approaches Far from being a matter of solely academic concern this debate parallels increasing public awareness that militaries are struggling to deal effectively with and may actually exacerbate contemporary threats and challenges such as terrorism climate change and inequality Abolishing the Military Arguments and Alternatives critically examines several widely held assumptions regarding the necessity of a military force for Aotearoa New Zealand In doing so it demonstrates that these assumptions often rest on
