mannered girl living in a mild mannered town Working in a local haberdashery store she stacks pastel colored yarns and sticks labels on jam jars She s single carless and lives with her mad grandma The only interesting thing about her is also the saddest Gladys is unusually good at arcade games But when strange yowling terribly violent things happen in town Gladys soon finds out she might be the only haberdashery store attendant who can stop them and that luckily for everyone else her skills with plastic guns extend to the real variety Agent of Light Agent Mira works for a shadowy agency called imaginatively the Agency She forms part of the line of defense between good and bad between Heaven itself and the fiery depths of Hell When she s plunged into fights beyond her skills they push her straight into the arms of the Agency s finest officer Michael From the sudden appearance of a childlike angel to the unwanted attention of the police Mira won t catch a break Good Hell doesn t want her to It has a plan and Mira will fulfil it or be bled dry of every drop of her light and life Superheroes Don t Wear Heels Annie hates superheroes a fact she will freely and loudly admit to anyone who will listen They are a drain on public resources and give people the mistaken belief that anyone can look good in stretch tights If only the city spent less on keeping buffoons in capes and more on effective disaster planning the world would be a better place Superheroes aren t the solution they re the problem Annie s so sure superheroes aren t worth the colored plastic they ve been molded from that it takes a plot of the rather epic supervillain kind to prove her wrong It s a hard lesson to learn and one that involves far more kabooms pows capes and dashing tights wearing men than your average reality check But at the end of the day a lesson s a lesson even if it carries a shrink ray The Witch and the Commander Abby is a witch she has a broom and a cat named Charlie But around these parts witches aren t popular So when she finds herself at the mercy of an ancient spell with no one to rely on but a distant man she must count on more than her magic to survive Pembroke can t stand her at first But her endearing charm and innocence soon grow on him Dangerous because it will drive him to protect her and that may prove impossible
