

1.) What does Slim find funny about George and Lennie's relationship? How does George explain his relationship with Lennie?

Page 27 — Slim thinks it is funny that they travel together, because he has hardly ever seen guys do that (just like George tells Lennie when they talk about their dream farm and just like the boys say when he first meets them).

Page 27 — he explains that it just happened naturally. Lennie and he were from the same town. Lennie was raised by his Aunt Clara and when she died, Lennie just started doing work with George and it's been that way since.

2.) Why did George stop teaching Lennie? What does Slim share us about George?

Page 28 — One time George was teaching Lennie by telling him to jump in the Sacramento River to make some other guys laugh, but when Lennie did it, he almost drowned because he couldn't swim. And when George got him out, Lennie kept thanking George for saving him, without remembering that George told him to jump in the first place.

George saw that his teaching could be dangerous to Lennie, so now how much Lennie appreciated him and realized he didn't deserve to be teased!

3.) What does George tell Slim about he and Lennie's experience in the town of Weed? Why do you think he chooses to tell Slim this?

Page 39 — O.K. tells Slim that when they were in Weed, L. wanted to touch a girl's red dress, she screamed, L got confused and held on. O.K. came to see when the girl was screaming and he had to hit Lennie over the head with a fence post to make him let go. L. doesn't realize how strong he is. O.K. told the police she was raped. Slim set out to lynch L., so they had to run all day, then ran away at night.

and

4.) How do the men like to spend their money and free time on the weekend?

Pages 49-50 They go into town to drink and don't eat because

5.) Describe the other Candy makes George. Does George like the other? Explain why/why not.

Page 54-57 After hearing O. describe he and L.'s dream of owning their own place, he offers to share in the \$250 he has, live there and cook, tend the chickens, live the garden things he can do with his maimed hand! He also says he will make a will and leave his share to them in case he dies (see pg. 56-57). At first George is hesitant because it was always going to be just he and Lennie, but then he realizes that his dream could actually become a reality if Candy joins them.

6.) Why do you think Candy regrets not shooting his dog himself?

Opinion.

7.) Why is Lennie smiling when Curley comes in? What does Curley think he is smiling about?

He is thinking of the ranch they dream of owning, particularly the rabbits he will need. Curley thinks Lennie is laughing at him.

Of Mice, Models, and Men Andrew N. Rowan, 1984-06-30 Too much emotion and insufficient fact This paradox has long characterized the controversy surrounding animal research *Of Mice Models and Men* is the first exhaustive treatment of all areas empirical and conceptual relevant to the use of animals in research It is also the first study to combine regard for the welfare of laboratory animals with a knowledgeable acceptance of the continuing need for research involving animals The book has another rare quality It is virtually devoid of any of the emotional and exaggerated attacks that have characterized many of the other publications in this area Instead it presents in a manner accessible to both sides all the relevant historical social and scientific information required to form an opinion on the subject The book thus achieves a most difficult goal that of bridging the gap between researchers using animals and animal welfare advocates while pointing out the need for a more active program to promote laboratory animal welfare

Beyond the Five-paragraph Essay Kimberly Hill Campbell, Kristi Latimer, 2012 Love it or hate it the five paragraph essay is perhaps the most frequently taught form of writing in classrooms of yesterday and today But have you ever actually seen five paragraph essays outside of school walls Have you ever found it

in business writing journalism nonfiction or any other genres that exist in the real world Kimberly Hill Campbell and Kristi Latimer reviewed the research on the effectiveness of the form as a teaching tool and discovered that the research does not support the five paragraph formula In fact research shows that the formula restricts creativity emphasizes structure rather than content does not improve standardized test scores inadequately prepares students for college writing and results in vapid writing In *Beyond the Five Paragraph Essay* Kimberly and Kristi show you how to reclaim the literary essay and create a program that encourages thoughtful writing in response to literature They provide numerous strategies that stimulate student thinking value unique insight and encourage lively personal writing including the following Close reading which is the basis for writing about literature Low stakes writing options that support students thinking as they read Collaboration in support of discussion debate and organizational structures that support writing as exploration A focus on students writing process as foundational to content development and structure The use of model texts to write in the form of the literature students are reading and analyzing The goal of reading and writing about literature is to push and challenge our students thinking We want students to know that their writing can convey something important a unique view to share defend prove delight discover and inspire If we want our students to be more engaged skilled writers we need to move beyond the five paragraph essay
