Of The Dignity Or Meanness Of Human Nature:

Of the Dignity or Meanness of Human Nature David Hume, 2020-09-28 THERE are certain sects which secretly form themselves in the learned world as well as factions in the political and though sometimes they come not to an open rupture they give a different turn to the ways of thinking of those who have taken part on either side The most remarkable of this kind are the sects founded on the different sentiments with regard to the dignity of human nature which is a point that seems to have divided philosophers and poets as well as divines from the beginning of the world to this day Some exalt our species to the skies and represent man as a kind of human demigod who derives his origin from heaven and retains evident marks of his lineage and descent Others insist upon the blind sides of human nature and can discover nothing except vanity in which man surpasses the other animals whom he affects so much to despise If an author possess the talent of rhetoric and declamation he commonly takes part with the former If his turn lie towards irony and ridicule he naturally throws himself into the other extreme I am far from thinking that all those who have depreciated our species have been enemies to virtue and have exposed the frailties of their fellow creatures with any bad intention On the contrary I am sensible that a delicate sense of morals especially when attended with a splenetic temper is apt to give a man a disgust of the world and to make him consider the common course of human affairs with too much indignation I must however be of opinion that the sentiments of those who are inclined to think favourably of mankind are more advantageous to virtue than the contrary principles which give us a mean opinion of our nature When a man is prepossessed with a high notion of his rank and character in the creation he will naturally endeavour to act up to it and will scorn to do a base or vicious action which might sink him below that figure which he makes in his own imagination Accordingly we find that all our polite and fashionable moralists insist upon this topic and endeavour to represent vice as unworthy of man as well as odious in itself Philosophy, ^IThe Federalist^R, and the Constitution Morton White, 1989-04-13 Here Morton White presents the first synoptic view of the major philosophical ideas in *The Federalist* Using the tools of philosophy and intellectual history White extracts and examines the interlocking theory of knowledge doctrine of normative ethics psychology of motivation and even metaphysics and theology all of which were used in different degrees by the founding fathers in defense of the Constitution *The British Moralists on Human Nature and the Birth of Secular Ethics* Michael B. Gill, 2006-07-31 Uncovering the historical roots of naturalistic secular contemporary ethics in this volume Michael Gill shows how the British moralists of the seventeenth and eighteenth centuries completed a Copernican revolution in moral philosophy They effected a shift from thinking of morality as independent of human nature to thinking of it as part of human nature itself He also shows how the British Moralists sometimes inadvertently sometimes by design disengaged ethical thinking first from distinctly Christian ideas and then from theistic commitments altogether Examining in detail the arguments of Whichcote Cudworth Shaftesbury and Hutcheson against Calvinist conceptions of original sin and egoistic conceptions of human motivation Gill also demonstrates how Hume combined the ideas of earlier

British moralists with his own insights to produce an account of morality and human nature that undermined some of his predecessors most deeply held philosophical goals

The Philosophical Works David Hume, 1826

Self-Fulfillment Alan Gewirth, 2009-11-02 Cultures around the world have regarded self fulfillment as the ultimate goal of human striving and as the fundamental test of the goodness of a human life The ideal has also been criticized however as egotistical or as so value neutral that it fails to distinguish between for example self fulfilled sinners and self fulfilled saints Alan Gewirth presents here a systematic and highly original study of self fulfillment that seeks to overcome these and other arguments and to justify the high place that the ideal has been accorded He does so by developing an ethical theory that ultimately grounds the value of self fulfillment in the idea of the dignity of human beings Gewirth begins by distinguishing two models of self fulfillment aspiration fulfillment and capacity fulfillment and shows how each of these contributes to the intrinsic value of human life He then distinguishes between three types of morality universalist particularist and personalist and shows how each contributes to the values embodied in self fulfillment Building on these ideas he develops a Odialectical conception of reason that shows how human rights are central to self fulfillment Gewirth also argues that self fulfillment has a social as well as an individual dimension that the nature of society and the obstacles that disadvantaged groups face affect strongly the character of the self fulfillment that persons can achieve Bold in scope and rigorous in execution Self Fulfillment is a powerful new contribution to moral social and political philosophy

Hume James A. Harris, 2015-10-06 This is the first book to provide a comprehensive overview of the entire career of one of Britain s greatest men of letters It sets in biographical and historical context all of Hume s works from A Treatise of Human Nature to The History of England bringing to light the major influences on the course of Hume s intellectual development and paying careful attention to the differences between the wide variety of literary genres with which Hume experimented The major events in Hume s life are fully described but the main focus is on Hume s intentions as a philosophical analyst of human nature politics commerce English history and religion Careful attention is paid to Hume s intellectual relations with his contemporaries The goal is to reveal Hume as a man intensely concerned with the realization of an ideal of open minded objective rigorous dispassionate dialogue about all the principal questions faced by his age

The World's Best Essays, from the Earliest Period to the Present Time David Josiah Brewer, 1900

The Adam Smith Review: Volume 1 Vivienne Brown, 2004-11-30 The Adam Smith Review is a multidisciplinary refereed annual review that covers all aspects of research relating to Adam Smith his writings and his

significance for the modern world It is the only publication of its kind and it aims to facilitate debate between scholars working across the humanities and social sciences This first volume contains contributions from a multidisciplinary range of specialists including Stephen Darwall Samuel Fleischacker Willie Henderson Takashi Negishi Ian Simpson Ross Emma Rothschild Richard B Sher Ernst Tugendhat Gloria Vivenza and Patricia H Werhane who discuss such themes as the reception of the Wealth of Nations the classics and Adam Smith Adam Smith and Kant Adam Smith and disequilibrium economic theory

David Hume: A Treatise of Human Nature David Hume, 2007-04-19 David and Mary Norton present the definitive scholarly edition of Hume's Treatise one of the greatest philosophical works ever written This second volume contains their historical account of how the Treatise was written and published an explanation of how they have established the text an extensive set of annotations which illuminate Hume's texts and a comprehensive bibliography and index

The Radical Philosophy of Rights Costas Douzinas, 2019-06-10 After 1989 human rights have expanded into a vernacular touching every aspect of social life They are seen as the key concept in morals and politics and a main tool for forging individual and collective identities They are the ideology after the end of ideologies the only values left after the end of history The response of the left to the rights revolution has been muted and unsure Classical Marxist critiques of natural rights have made the left justly suspicious and this is still the case today Elaborating and addressing a series of foundational paradoxes of rights this book the third in Costas Douzinas's human rights trilogy following *The End of Human Rights* and *Human Rights and Empire* provides a long overdue re evaluation of the history and political uses of rights for the left The book examines the history and philosophy of the legal person the subject the human and dignity from classical Rome to postmodern Brussels It traces the gradual abandonment of right virtue and the common good for individual rights and self interest The limited and distorted conception of rights of liberal jurisprudence is contrasted with an alternative that sees rights as a relation involved in the struggle for recognition and an everyday utopia The right to resistance and revolution prohibited but regularly returning like the repressed rescues law from sclerosis and presents a case study of the paradoxical nature of rights Finally the book offers a brief examination of law's encounter with radical politics informed by the author's strange experience as an accidental politician in the first radical left government in Europe The book's radical concept of legal philosophy and public law will be of considerable value to legal theorists political philosophers and anyone with an interest in thinking and acting in ways that go beyond the limits of liberal and neoliberal ideology

Myth and Philosophy Frank Reynolds, David Tracy, 1990-01-01

Selected Essays David Hume, 2008-06-12 In his writings David Hume set out to bridge the gap between the learned world of the academy and the marketplace of polite society This collection drawing largely on his *Essays Moral Political and Literary* 1776 edition which was even more popular than his famous *Treatise of Human Nature* comprehensively shows how far he succeeded From *Of Essay Writing* to *Of the Rise and Progress of the Arts and Sciences* Hume embraces a staggering range of social cultural political demographic and historical concerns With the scope typical of the Scottish Enlightenment he

charts the state of civil society manners morals and taste and the development of political economy in the mid eighteenth century These essays represent not only those areas where Hume s arguments are revealingly typical of his day but also where he is strikingly innovative in a period already famous for its great thinkers ABOUT THE SERIES For over 100 years Oxford World s Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford s commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more

On Suicide David Hume, 2005-08-25 One of the most important thinkers ever to write in English the Empiricist David Hume liberated philosophy from the superstitious constraints of religion here he argues that all are free to choose between life and death considers the nature of personal taste and succinctly criticises common philosophies of the time

Of The Dignity Or Meanness Of Human Nature Introduction

In today's digital age, the availability of Of The Dignity Or Meanness Of Human Nature books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Of The Dignity Or Meanness Of Human Nature books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Of The Dignity Or Meanness Of Human Nature books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Of The Dignity Or Meanness Of Human Nature versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Of The Dignity Or Meanness Of Human Nature books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Of The Dignity Or Meanness Of Human Nature books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Of The Dignity Or Meanness Of Human Nature books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open

Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Of The Dignity Or Meanness Of Human Nature books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Of The Dignity Or Meanness Of Human Nature books and manuals for download and embark on your journey of knowledge?

FAQs About Of The Dignity Or Meanness Of Human Nature Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Of The Dignity Or Meanness Of Human Nature is one of the best book in our library for free trial. We provide copy of Of The Dignity Or Meanness Of Human Nature in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Of The Dignity Or Meanness Of Human Nature. Where to download Of The Dignity Or Meanness Of Human Nature online for free? Are you looking for Of The Dignity Or Meanness Of Human Nature PDF? This is definitely going to save you time and cash in something you should think about.
