**Of Mice and Men (MAXNotes Literature Guides)** Lena Shamblin, 2013-01-01 REA's MAXnotes for John Steinbeck's *Of Mice and Men*. MAXnotes offer a fresh look at masterpieces of literature presented in a lively and interesting fashion. Written by literary experts who currently teach the subject, MAXnotes will enhance your understanding and enjoyment of the work. MAXnotes are designed to stimulate independent thought about the literary work by raising various issues and thought-provoking ideas and questions. MAXnotes cover the essentials of what one should know about each work, including an overall summary, character lists, an explanation and discussion of the plot, the work's historical context, illustrations to convey the mood of the work, and a biography of the author. Each chapter is individually summarized and analyzed and has study questions and answers.

**Thinking and Deciding** Jonathan Baron, 2006-10-22 Beginning with its first edition and through subsequent editions, *Thinking and Deciding* has established itself as the required text and important reference work for students and scholars of human cognition and rationality. In this fourth edition, first published in 2007, Jonathan Baron retains the comprehensive attention to the key questions addressed in the previous editions: how should we think? What if anything keeps us from thinking that way? How can we improve our thinking and decision making? and his expanded treatment of topics such as risk, utilitarianism, Bayes's theorem, and moral thinking. With the student in mind, the fourth edition emphasizes the development of an understanding of the fundamental concepts in judgment and decision making. This book is essential reading for students and scholars in judgment and decision making and related fields, including psychology, economics, law, medicine, and business.

**Teaching Literacy in the Visible Learning Classroom, Grades 6-12** Douglas Fisher, Nancy Frey, John Hattie, Marisol Thayre, 2017-04-12 It could happen at 10:10 a.m. in the midst of analyzing a text, at 2:00 when listening to a student's debate, or even after class when planning a lesson. The question arises: How do I influence student learning? What's going to generate that light bulb "Aha" moment of understanding? In this sequel to their megawatt best seller *Visible Learning for Literacy*, Douglas Fisher, Nancy Frey, and John Hattie help you answer that question by sharing structures and tools that have high impact on learning and insights on which stage of learning they have that high impact. With their expert lessons, video clips, and online resources, you can design reading and writing experiences that foster in your students deeper and more sophisticated expressions of literacy. Mobilizing Visible Learning: Use lesson design strategies based on research that included 500 million plus students to develop self-regulating learners able to see the purpose of what they are learning and their own progress. Teacher Clarity: Articulate daily learning intentions, success criteria, and other goals; understand what your learners understand; and design high-potency experiences for all students. Direct Instruction: Embrace modeling and scaffolding as a critical pathway for

students to learn new skills and concepts Teacher Led Dialogic Instruction Guide reading writing listening speaking and thinking by using strategic questioning and other teacher led discussion techniques to help learners to clarify thinking discuss debate and goal set Student Led Dialogic Learning Promote intellectual social and creative growth with peer mediated learning experiences that transfer to other subject areas including history science math and the visual and performing arts Independent Learning Ensure that students deepen learning by designing relevant tasks that enable them to think metacognitively set goals and develop self regulatory skills Tools to Use to Determine Literacy Impact Know what your impact truly is with these research based formative assessments for 6 12 learners With Teaching Literacy in the Visible Learning Classroom take your students from surface to deep to transfer learning It s all about using the most effective practices and knowing WHEN those practices are best leveraged to maximize student learning
