western Mediterranean These studies reveal the extent of the contribution he made to the subject and the care and attention with which he handled the scattered documentary sources There are three main themes to the volume one group of articles focuses on the political and diplomatic aspects of the relations between Spain Catalonia in particular and the Maghreb the lands of the modern Morocco Algeria and Tunisia a second is concerned more with commercial contacts and with a comparison of the economic conditions north and south of the Mediterranean and with the day to day life of the sailors and merchants who formed the link between the two A third theme most prominent in the final articles is the social and economic history of Catalonia itself a subject to which he returned in the final years of his life

Le regret de Ch. E. Dufourcq est l'un des premiers à établir les grandes lignes des rapports existant entre les pays chrétiens et musulmans de la Méditerranée occidentale durant le Moyen Âge. Ces études révèlent l'intendue de la contribution de l'auteur ce sujet ainsi que le soin et l'attention avec lesquels il en a manié les sources documentaires dispersées. On retrouve trois thèmes principaux au travers de ce volume un groupe d'articles se concentre sur les aspects politiques et diplomatiques des rapports entre l'Espagne plus particulièrement la Catalogne et le Maghreb le second s'attache plus aux contacts commerciaux comparant les conditions économiques du Nord et du Sud de la Méditerranée et la vie quotidienne des marins et des marchands qui formaient le lien entre les deux. Un troisième thème plus prominent dans les derniers articles écrits par l'auteur vers la fin de sa vie est celui de l'histoire sociale et économique de la Catalogne elle-même.
