thrive and grow *Vanessa Wensley Clarkson*,2011-10-06 The compelling and disturbing true story of Vanessa George and the evil abuse she doled out upon the children of more than 300 families As a nursery worker wife and mother she was a figure to place trust in Yet her adulterous relationship and sick love triangle with Colin Blanchard and Angela Allen drew her into a dark world of violence and sexual abuse To compete for Blanchard s attention she would do everything in her power to impress him even if this meant committing unspeakable acts of sexual violence on children as young as two years old What could have driven a mother to betray not only her daughters and loving husband but the very families who entrusted her with their children How could a seemingly caring women become engaged in a sordid and vile love triangle with a man and woman she had never met Were there events in her own childhood that pushed her to commit these acts True crime expert Wensley Clarkson pieces together the events surrounding the case as well as new investigative research to compile a fascinating yet disturbing account of a case which shocked a nation We may never know the full extent of Vanessa George s cruelty but the horror of her story will remain as a chilling memory for generations [Child Care and Education, 5th Edition](#)
