Service Dog Heroes

Some people have trouble getting around because of physical challenges. These challenges might mean people use wheelchairs, walkers, or crutches. It can be hard for them to go places safely on their own.

Others have sensory challenges like having trouble hearing or seeing. This can make reading or watching TV tricky. They might also have trouble hearing sounds like alarms and doorbells.

Service dogs can help! These special dogs are trained. They can pick up things, open doors, and even push buttons on elevators. They can do this to help people who have trouble moving around easily. This makes it easier for them to do things on their own.

Guide dogs are also great helpers for people with vision and hearing problems. They are taught to take their owners safely outside and to stop at things that are in the way like trash cans and doors. These dogs let their owners know about sounds like the doorbell, a phone, or a smoke alarm. They do this by touching their owner or making signals that can be seen or heard.

Service dogs and their owners trust and love each other. These dogs are more than just helpers, they become part of the family.
