33 Easy Recipes for Snack-Dairy Free, Egg Free and/or Gluten Free Melinte Alisa, 2020-01-01 FOOD ALLERGIES a torment that can be overcome more easily when you have a little support I am also a mother who has 2 allergic children and I perfectly understand this hardship that you go through every day These books were born from the desire to make life easier for mothers of children with food allergies I have prepared 33 Snack Recipes without the main allergens that offer you many advantages they are extremely quick recipes and this will make you have more time for you and your child certain

ingredients can be changed depending on your child's preferences or allergies. Practically you have several recipes in one package they are prepared from ingredients available to anyone. I personally have always run away from recipes with pompous ingredients or that I have hardly heard of. All family members can eat these dishes and can also be used successfully in the stages of re-introduction of the allergen. This gives you confidence that you can cook something fast and tasty even if cooking is not your strong point. The weight you carry will be reduced. The proposed recipes have already been tested by me and many other mothers. CAREFUL 1 In these recipes I use gluten-free flour mixes that contain rice. 2 Nuciferae can be excluded without affecting the preparation. 3 Fruits and vegetables can be adapted to your needs and allergies. 4 In these preparations I use sweeteners. NO SUGAR, salt and raising agent, baking powder. I recommend their exclusion for children under the age of 1. I'm looking forward to you testing them too.
