Cook's Table Jan Jorgensen,Todd Wernstrom,2024-11-08 This cookbook will not be like most other cookbooks And when we write this we re not claiming that we have reinvented the genre one that has not really changed all that much other than in presentation over the centuries Our book is not organized by the seasons It is not pegged to certain proteins the cuisine of a specific country or cooking techniques be they primal or avant garde Instead we have organized this book around a handful of the most commercially important and recognizable grapes The recipes in each chapter are conceived so as to complement one of that grape s resultant styles of a finished wine This is not the first cookbook to double down on the importance of a

dish and a wine complementing each other However we think it goes further on the subject without getting bogged down by theory formulas and rules and the invariable exceptions to them in a very commonsense and straightforward way We have all come a long way from white with fish and red with meat Jan has often said that he ll figure out what to cook and how to cook it based upon what he is in the mood to drink and vice versa That very unfussy sort of weeknight ethos is present throughout these pages The recipes aren t designed to elicit oohs and aahs or impress by employing the newest technology or technique the words sous vide air fryer and even tweezers will not show up in them Instead there are dozens of recipes some simple some less so that hew to traditions that in some cases date back hundreds of years or borne of necessity or by chance Many others are grounded in Jan s background in professional kitchens including his own in Miami Two Chefs *Anna Cooks* Anna Olson,2025-09-30 Get cooking with Anna Olson Step into Anna s kitchen with 125 everyday all the time recipes for breakfast lunch dinner and of course dessert For years Anna Olson has been synonymous with baking sharing her delicious and impeccably tested recipes through her bestselling and award winning baking books and TV shows Now Anna invites you to explore her savoury side offering a collection of dishes that reflect the way she and we all really cook at home Whether you re looking to create a light breakfast a hearty brunch or a quick and satisfying lunch or you re looking for ideas for one pot dinners or occasion worthy mains Anna has thought of the perfect dish for every meal of the day Morning Meals the Lemon Mustard Spaetzle or Blistered Brussels Sprouts for example are almost a meal on their own Sweets Treats And no Anna book is complete without dessert like Brown Butter Banana Bundt with Maple Glaze or a refreshing slice of Lemon Meringue S Mores Pie Whatever you re cooking Anna encourages you to loosen up in the kitchen and trust your instincts offering advice on every recipe page to not let anything stop you Join Anna as she brings her heartfelt approach and expertise to the savoury side of the kitchen *The NoMad Cookbook* Daniel Humm,Will Guidara,Leo Robitschek,2015-10-13 From the authors of the acclaimed cookbooks Eleven Madison Park and I Love New York comes this uniquely packaged cookbook featuring recipes from the wildly popular restaurant and as an added surprise a hidden back panel that opens to reveal a separate cocktail book Chef Daniel Humm and his business partner Will Guidara are the proprietors of two of New York s most beloved and pioneering restaurants Eleven Madison Park and The NoMad Their team is known not only for its perfectly executed innovative cooking but also for creating extraordinary genre defying dining experiences The NoMad Cookbook translates the unparalleled and often surprising food and drink of the restaurant into book form What appears to be a traditional cookbook is in fact two books in one upon opening readers discover that the back half contains false pages in which a smaller cocktail recipe book is hidden The result is a wonderfully unexpected collection of both sweet and savory food recipes and cocktail recipes with the lush photography by Francesco Tonelli and impeccable style for which the authors are known The NoMad Cookbook promises to be a reading experience like no other and will be the holiday gift of the year for the foodie who has everything
