Constructing Ethnic Identities Rachel Sharaby,2022-05-20 This book deals with how starting in

the 1960s immigrant groups in Israel constructed their ethnic identity by reviving their ethnic festivals and turning them into part of Israeli society For the immigrants these festivals serve as a collective definitional ceremony with an intersection of ethnicity culture and identity They also help them to develop cultural and religious syncretism The discussion of their social and political leaders ethnic activism provides important insights about the ways in which immigrant leaders employ their ethnic tradition as a resource for mobilizing cultural social and political capital that will facilitate their penetration of the cultural mainstream

The Turn to Racism and Anti-racism in Latin America Mónica G. Moreno Figueroa, Peter Wade, 2025-04-18 This book highlights the growing mainstream focus on racism and anti racism in Latin America It reveals the diverse social transformation projects addressing racism reflecting a complexity not previously evident Inspired by a research project involving Indigenous and Black organizations the chapters in this book explore cases in Brazil Colombia Ecuador and Mexico where anti racist efforts are significant though not always central to organizational agendas These chapters share a common theme of valuing varied anti racist actions and discourses while critically acknowledging the structural shifting nature of racism The issues explored are racial visibility naming racism racial data legal rights and recognition entrepreneurship mestizo identity the possibilities of alliances and racially aware struggles against class and gendered oppression Though not exhaustive the chapters provide valuable insights into the antiracist shift in Latin America offering broader perspectives on global anti racism efforts This book was originally published as a special issue of the Ethnic and Racial Studies journal

The Report: Abu Dhabi 2016 Oxford Business Group, 2016-05-09 Subdued oil prices prompted a trimmed federal budget for 2016 as the UAE like other countries in the region tightened its belt in response to falling hydrocarbons revenues However a sustained focus on economic diversification and targeted investment in Abu Dhabi's key non oil sectors in recent years means the emirate is well positioned to weather the storm Looking forward plans for future development are mapped out in Abu Dhabi Economic Vision 2030 a comprehensive economic policy document that aims to reduce dependence on oil and gas thereby creating a more sustainable knowledge based economy for the emirate and its inhabitants Aided by hydrocarbons reserves that are among the world's largest and substantial financial resources Abu Dhabi has built up a strong foundation to become a regional leader and an increasingly important global player in a wide variety of sectors including oil and gas financial services health care aviation and renewable energy

The Audience Decides Patrick A. Stewart, 2023-06-07 The Audience Decides argues that the political parties aided and abetted by mass media have abdicated one of their most important responsibilities that of providing and vetting the best leadership options available The search for followers ratings and attention has led to the structure of presidential debates especially during the primary season being driven by goals of entertaining the public at the expense of enlightening the citizenry To understand the role of the audience as active participant in political debates and how their function has been subverted this

book focuses on behavior by the candidates and in person audiences during the 2016 and 2020 general election debates It does so by using observational methods to consider nonverbal behaviors by candidates to establish on stage dominance and the observable audience reactions by the in person audience and their effect on those following the debates It is anticipated that The Audience Decides will allow for evaluation and reconsideration of how debates or whatever replaces them might not only entertain but also enlighten the most important part of representative democracy the voting public Ultimately it is hoped that debates will help the audience decide who their leader will be based upon substance not style **Federal Register**,2013-07 **Constructing Islam on the Indus** Hasan Ali Khan,2016-08-08 This book represents the first serious consideration of Ismaili Shia esotericism in material and architectural terms as well as of pre modern conceptions of religious plurality in rituals and astrology Sufism has long been reckoned to have connections to Shi ism but without any concrete proof The book shows this connection in light of current scholarly work on the subject historical sources and most importantly metaphysics and archaeological evidence The monuments of the Suhrawardi Order which are derived from the basic lodges set up by Pir Shams in the region constitute a unique building archetype The book s greatest strength lies in its archaeological evidence and in showing the metaphysical commonalities between Shi ism Isma ilism and the Suhrawardi Sufi Order both of which complement each other In addition working on premise and supposition certain reanalysed historical periods and events in Indian Muslim history serve as added proof for the author s argument **Challenges, risks and threats for security in Europe** Andreas Kellerhals,Tobias Baumgartner,2019-12-06 This publication brings together talks from the 11th Network Europe conference The conference explored the conditions for security in 21st century Europe and the key elements of an appropriate security architecture Discussions focused on major security challenges such as cybercrime and migration as well as institutional aspects including the concept of a European army and the role of neutral states in an evolving security landscape The publication features contributions from Vadym Barskyy Tobias Baumgartner Jelena Ceranic Viorel Cibotaru Aleksei Dolzhikov Alena F Douhan Darina Dvornichenko Itay Fishhendler Andreas Kellerhals Verena Murschetz Przemyslaw Saganek J rgen Scheffran and Attila Vincze Network Europe was founded in 2003 by the Europa Institute at the University of Zurich with support from the Swiss government It serves as a forum for scholarly exchange on legal and political aspects of European integration bringing together researchers from across Europe *United States of America Congressional Record, Proceedings and Debates of the 113th Congress Second Session Volume 160 - Part 4* ,
