

LETTER OF RECOMMENDATION FOR INTERNAL MEDICINE RESIDENCY SAMPLE

Dear program director,

It's my honor to recommend Shaleen Shanice into your Internal medicine program. My name is Dr. Austin and I am the chief physician at St.Stephen Hospital, Ireland. It was my pleasure to work with Shaleen during her fourth year medical rotation in this hospital. She was very eager to learn, focused in her duties and I have been quite impressed by her outstanding performance in relating with patients. Also, she was excellent in correlating theoretical work to practical in the hospital. I see her as a knowledgeable student with high level of compassion.

Shaleen did very well in her USMLE test emerging the best among the many students. She is an intelligent student, due to her ability to come up with independent ways of doing things. During the normal rotations, she managed to talk to patients of all ages, and gave them a listening ear so as to form an accurate judgment regarding their treatment plan. While supervising her, it was clear in my mind that Shaleen would make the best doctor in the future. Due to this reason, I believe she will make one of the excellent residents in your hospital.

Shaleen portrayed a high level of concept mastery, which was demonstrated by her ability to contribute during the morning meetings. Her thinking was patient centered and aimed to provide the quality care. Apart from creating a good rapport with patients, she extended the same to other colleagues, which improved the teamwork spirit. Consequently, our services to patients were greatly improved.

I have a high hope you will sincerely consider her in your residency program as I have witnessed her brilliant talent and qualifications. I am sure she will be instrumental towards achieving your institution's objectives. In case of further questions or clarification feel free to contact me through my email.

Yours sincerely,
Dr. Austin Reeves.
