induct you into the he turned his head coughing wildly before he turned back To the pack You will become one of us your soul must be a wolf before you can hold my he stopped just short of telling me exactly what he was going to do but I had some kind of idea A test I asked as my fingers dropped away from him when he moved My question made the alpha laugh a horrible strained laugh If you can t handle them he said cocking his head Then why do you think you could handle me I sucked a breath deep into my lungs inhaling his scent one last time before he was gone Now he growled Prepare my mate And don t try anything Do you understand Althar I turned my head to see which one he was talking to but to my surprise something absolutely unbelievable even after all that took place The copper colored wolf lay on his side panting He acknowledged what his father said but then he wrenched from around thrashing so hard I thought he d break his back Moments later he stood on his hind legs as they filled with muscle and the fur seemed to recede into his skin His body twisted contorted and before my eyes he turned into something very similar to a man a human man but he was just slightly different And way way bigger Every part of him was huge The muscles of his legs his hard biceps and his powerful chest were all more impressive and intimidating than any person I d ever seen And then I looked down

The Alpha's Reluctant Mate

Francis Ashe, Wandering through the woods Dana hears birds smells the flowers and hasn t a care in the world when out of nowhere thunderous noise explodes around her In an instant Dana s peaceful stroll is turned upside down by the appearance of savage wolves Terrified and being sensible she runs But nothing will keep the monsters at her heels from having what they want and what they want is Dana Snarling snapping and roaring quickly gives way to a desperate fight for dominance and for Dana The beautiful half man creatures captivate her dominate her and take her back to their den where she must meet the Alpha s approval if she has any hope of survival WARNING this 9000 word sizzling erotic story features rough domination a feral m nage a terrible curse and an alpha wolf so lusty and powerful that nothing will stop him from getting what he needs Excerpt Behind me whatever was stroking my back let out a shuddering rumbling groan You have done well children The voice was so deep that I wasn t sure if I d really heard it or not I m proud my sons That meant he d been right beside me the whole time Absolutely silent I turned to face whatever lurked in the shadows and when I did a pearly terrifying grin stretched across the monster s lips You ve come to me he said curling his claws against the pricked skin of my belly You ve come home H home My lips were trembling so badly I could hardly speak His eyes flashed red and I had to look upwards to see him as he stood two heads maybe three taller than myself I don t know I gulped to try and calm myself I don t know what you mean What are you We are cursed We are part way between man and beast You know us by a name we despise werewolves I tensed up from head to toe But but no werewolves aren t real they re just storybook things Monsters from fairytales A pair of fingers grabbed my hand squeezing so hard it hurt Ow I cried out You re hurting Does this feel like a fairytale The elder beast s cock was thick hot and soft under my hand Lined with the same fur that was on the rest of him it had a strange slickness to it Without thinking about it I closed my fingers around him and rubbed She gives away

her own eagerness he said chuckling You are not ready for me though I ll make you one of us but not before my sons prepare you

The Pack's Reluctant Mate - Reluctant Virgin Werewolf Gangbang Francis Ashe, Innocent Fiona has heard legends of skinwalkers who can change shape at will but thought they were simply old tales On a peaceful walk through the woods she learns maybe there is more to the Elders tales than she ever thought Cornered by a pack of wolves with eyes that she finds strangely human and beautiful she feels passion and lust bubble up from deep inside her things she s never felt before but things she cannot deny Will she escape the pack or will she become the reluctant mate to the mighty Alpha who needs Fiona more than she knows Warning This sizzling 9800 word erotic romance features a young woman getting what she s always wanted a passionate m nage unhinged monsters with barely enough humanity left to control their most savage urges and a curse that can only be cured in one way by one woman Excerpt A tremendous weight pushed me backwards holding me hard against the soft crunching leaves underneath Two heavy pads crushed my shoulders sending tendrils of pain all the way down my body You re ow you re hurting me Please Stop The pressure grew and as it did my unlikely anticipation swelled I couldn t help it no matter how insane I felt these huge beasts were making me experience emotions no one nothing ever had My shorts tore first with the button popping off as Midnight yanked me along the ground and then ripped open from the inseam outward in a gnashing of dagger like teeth that could have sliced me open at any moment Instantly I remembered the dream I d been awakened from the wolf with his head between my legs grinding pleasure from my very bones and sliding his long hot tongue along my untouched sex And then I remembered the legend I d heard that skinwalkers could enter your dreams penetrate your very desires and make you burn for them ache for their seductive touch In a flash of panic mixed with utter ecstatic confusion I swung my head from side to side Standing above me with his face inches from mine was the tremendous white beast his cock throbbing as it lay on my belly His heavy thick fur sheathed prick thrummed in time with his heart and soon I realized with mine So badly I wanted to feel him to touch him and take him inside me that it almost terrified me Beside him slowly circling as though waiting for an opening in which to pounce on my naked helpless body was one of the Midnight twins the one with eyes the color of rich dripping amber instead of the other blue black wolf s pale yellow irises The last of the three I couldn t see but I could certainly feel as his nose made my pussy tingle with anticipation with every tiny little movement he made against me In my confusion I d forgotten all about the mightiest of the beasts at least until I happened to roll my head to one side as the wolf between my legs forced my sex to pulse around his tongue

Queen of the Wolf Pack (The Paranormal BBW Erotic Romance, Alpha Werewolf Mate) Larissa Coltrane, 2018-04-25 The epic short story of the forgotten Queen and gorgeous werewolf King

Turned by a Wolf (A Werewolf Erotic Romance) Marlo Peterson, 2014-03-04 Not your everyday werewolf erotica Tina works at a campground and decides on one fortuitous night to go for a skinny dip in the lake Little did she know that she was being watched Only the eyes that watched her were a dark yellow that she hadn't seen before When she returned from her rejuvenating and titillating swim she's met by a dark and handsome stranger who is

seems to have a carnal desire that she's never experienced with any mere mortal. What follows is sweet tasting touching and thrusting up against a nearby rock that hurts so good and pleases every inch of her body. Excerpt: As she lifted her head and looked into Lance's eyes, she froze in her tracks. His eyes were the same golden yellow shade of the furry creature she was almost killed by. He opened his mouth to reveal sharp edged teeth that she had never seen on a human being before. Before Tina could let out a yelp, Lance sunk those dagger sharp teeth dead into her neck, causing her to squeal in submissive delight. He was a man possessed. Lance sucked at her neck like a vacuum, sending tremors of both fear and delight down Tina's spine as she wondered how vicious he would be with her. His mouth explored the nape of her neck and bit unforgivably into her shoulder blade before allowing his hot wet tongue to find its way to the undercarriage of her hefty left breast. As if working his way to the sweet spot, Lance sucked hard at the flesh closest to her underarm, causing Tina to lean her head back in ecstasy. He sucked her breast in its under region all the way to the epicenter, taking great detail to bring her quarter inch nipples to life with flicks, sucks, and circles of the tongue. He reached a now noticeably very hairy hand to grab Tina by the neck as if he was choking her, but gentle enough to allow oxygen to pass as he glided his tongue down the center of her chest all the way down to the region of no return, just beneath her belly button. Her womanly valley begged for sweet relief and that sense was heightened as Lance let out a deep growl when face to face with her as if he was about to punish it for something she did. I can't believe we're doing this. We don't even know each other. Tina said. Believe it. Lance said before aggressively turning Tina over on her stomach, the ridges of the rock scratching her and the coldness of the rock making her nipples hard enough to cut diamonds. She lay there on the ice cold rock, her naked body covered in mud, sprawled out with her bottom in the air at the mercy of this ravenous stranger that was determined to have her. werewolf erotica werewolf erotic romance werewolf romance alpha male alpha alpha wolf pack taken dubcon dubious consent dubcon erotica dubious consent erotica bdsm bdsm erotica bdsm romance domination and submission dominant woman dominant female dominatrix bondage spanking gangbang erotica dub con face sitting face sitting 69 oral sex spanking erotica s m s m erotica mistress mistress erotica cuckold cuckolding cuckold erotica dubcon erotica dubious consent erotic romance
