debut sounded unlike anything that listeners had heard before and remains a quintessential rock album of the era Over the course of more than four decades Eddie gained renown for his innovative guitar playing and particularly for popularizing the tapping guitar solo technique Unfortunately for Eddie and his legions of fans he died before he was ever able to put his life down to paper in his own words and much of his compelling backstory has remained elusive until now In Eruption music journalists Brad Tolinski and Chris Gill share with fans new and old alike a candid compulsively readable and definitive oral history of the most influential rock guitarist since Jimi Hendrix It is based on more than 50 hours of unreleased interviews they recorded with Eddie Van Halen over the years most of them conducted at the legendary 5150 studios at Ed s home in Los Angeles The heart of Eruption is drawn from these intimate and wide ranging talks as well as conversations with family friends and colleagues In addition to discussing his greatest triumphs as a groundbreaking musician including an unprecedented dive into Van Halen s masterpiece 1984 the book also takes an unflinching look at Edward s early struggles as young Dutch immigrant unable to speak the English language which resulted in lifelong issues with social anxiety and substance abuse Eruption Conversations with Eddie Van Halen also examines his brilliance as an inventor who changed the face of guitar manufacturing As entertaining as it is revealing Eruption is the closest readers will ever get to hearing Eddie s side of the story when it comes to his extraordinary life

Above His Shoulders Dan Williams,2009-01-12 We do not choose to be brought into this world Some believe our lives are predetermined others say we choose the paths we walk Still others insist it is a combination of both What I do know We are continually evolving and hopefully using our past experiences to reach out to others Hence the birth of Above His Shoulders My goal is to bring others along on my journey At a young age I was sexually abused by my cousin I carried those horrific events with me for many years A part of my childhood was stolen The effects impacted my relationships and brought me on a journey of anger rage

depression and feelings of isolation Dreams of flight were frequent My travels and therapy were a life long process leading up to a moment where I could confront my perpetrator and feel more confident in who I was Redemption I have learned is earned it takes time patience and perseverance Healing not only comes from within but learning that it is ok to ask for help Dreams of flight continue not flying away but flying toward future goals My intention is others will benefit and learn there is hope there is a rainbow at the end of all thunderstorms In peace and healing Dan Williams *Life* Henry R.
