Multi-Sector Engagement Model (MSEM) is a strategy that promotes meaningful engagement across sectors in a particular country and community. It is based on the principle that shared goals can motivate the community members involved from their personal motives, motivating their participation in the shared economic development efforts and investments in the local or regional level. The suggested MSEM model that brings local stakeholders together under an umbrella over efforts to bring in policy, funding, planning and action about economic development that makes sense. The suggested type of following economic development:
