 Want You Send Me *Rolling Stones Gear* Andy Babiuk, 2023-09-14 *Rolling Stones Gear* is the first book to historically
 document all of the Rolling Stones musical equipment. It's also the story of the Rolling Stones but with a new twist: their
 history as told through the instruments they used. This book covers not only the group's personal background but also every
 tour and studio session from their inception in 1962 to date with detailed documentation illustrating what instruments and
 equipment were used during these periods. Every song recorded by the band including demos and out takes are also
 documented with input from within the Stones ranks as well as from people who were involved with the band. This lavishly
 illustrated book contains hundreds of photographs and rare images many of which have never been published including the
 Rolling Stones' actual guitars and equipment which were specially photographed for this book and are seen here for the first
 time. Whether you are a musician, a Stones fan or just the casual reader you will learn many new facts about the band from
 their monumental fifty-year existence. Win the bands of the Rolling Stones. Check out this fabulous Guitar Player Magazine

 one of *an odd boy* is a memoir of an eccentric aficionado of Bach and Blues poetry and painting. A portrait of the artist as a

 humorous and poignant depicting an era when the Arts set a generation's imagination on fire. The author's life is a rare
 roulette wheel of childhood wonder and tragic debacles: a debilitating stammer and a powerful singing voice, bad luck and
 fierce good fortune. At 16 he's travelled far in human experience from the midnight expedition he made to the crossroads at
