

ASSEMBLIES

All free adult male citizens could participate in assemblies. The votes of the wealthy usually counted for more than the poor. Assemblies elected magistrates and passed laws. This was a form of direct democracy.

MAGISTRATES

Magistrates were elected and often moved from lower to higher offices. There were Quaestors, Aediles, Tribunes of the Plebs, and Praetors. The top two Consuls led the state, the military, and were the highest judges.

SENATE

The senators were the wealthiest and most well-known older Roman men, often former magistrates. Senators were chosen by an official called the Censor. They helped pass laws, control foreign policy and government money.

How Republics Die Frederik Juliaan Vervaet,David Rafferty,Christopher J. Dart,2025-07-14 Authoritarianism is everywhere on the advance democracy seems fragile and threatened We console ourselves that where rule by the people has long established itself it has never collapsed from internal causes Except it did once in Rome This book gathers together Roman historians with political scientists and scholars of other periods of authoritarian takeover to explore how open and democratic political systems have historically fallen prey to autocrats The Late Roman Republic is the main focus with a mix of large scale thematic and analytical chapters paired with more detailed case studies from some of the leading scholars in the field Other chapters widen the scope analysing comparable cases from ancient Athens to Napoleon to Hitler s Germany and Franco s Spain The book as a whole draws on contemporary political science scholarship on democratic decay and competitive authoritarianism It shows that these concepts are not only applicable to modern states but that we can properly use them to study past democratic collapses as well This provides the tools for a more historically informed understanding of how republics die as part of a renewed conversation between historians and political scientists *The Two Republics Or Rome and the United States V2 (1891)* Alonzo T.
