E. J. R. David, 2018-02-01 A father's personal and intimate account of his Filipino and Alaska Native family's experiences and his search for how to help his children overcome the effects of historical and contemporary oppression. In a series of letters to his mixed race Koyukon Athabascan family, E. J. R. David shares his struggles, insecurities, and anxieties as a Filipino American immigrant man, husband, and father living in the lands dominated by his family's colonizer. The result is *We Have Not Stopped Trembling Yet*, a deeply personal and heartfelt exploration of the intersections and widespread social, psychological, and health implications of colonialism, immigration, racism, sexism, intergenerational trauma, and internalized oppression. Weaving together his lived realities, his family's experiences, and empirical data, David reflects on a difficult journey touching upon the importance of developing critical and painful consciousness, as well as the need for connectedness, strength, freedom, and love in our personal and collective efforts to heal from the injuries of historical and contemporary oppression. The persecution of two marginalized communities is brought to the forefront in this book. Their histories underscore and reveal how historical and contemporary oppression has very real and tangible impacts on Peoples across time and generations. What you're reading is a groundbreaking book: part personal memoir, part rigorous scholarship, part passionate manifesto. Altogether, *We Have Not Stopped Trembling Yet* is an essential work in these unprecedented times. E. J. R. David is among the leading Filipino thinkers we have today, and this book more than lives up to that distinction. Read it, share it, talk about it. Jose Antonio Vargas, Pulitzer Prize-winning journalist, Emmy-nominated filmmaker, and founder and CEO of Define American, says David, through his deeply personal words to his family and community, masterfully calls our attention to the systemic injustices that perpetuate themselves under the false promises of the American Dream offered only to some, invisibly blocked to others. We, the witnesses and fellow victims to this truth, cannot look away; we must not. Maraming salamat, E. J., for your vulnerability and courage. May it serve to grow the awareness necessary to shift the trajectory of our future ancestors' experiences. Jorie Ayyu Paoli, Vice President and Indigenous Operations Director, First Alaskans Institute. David is gifted with the wisdom and philosophical acumen of an Elder. I emerged from the deep, dark truths about the aftermath of colonialism emanating from David's heart with an amplified sense of urgency to instill hope, resilience, and belief in current and coming generations that this world can and will be a better place. Pausauraq Jana Harcharek, Director of Iupiaq Education, North Slope Borough School District. David has written a spiritual self-examination and cultural critique of his American and his Filipino family. It reminds me of the duality of Black consciousness elegantly depicted by W. E. B. DuBois. In the final summation, he exhorts his native family to love and believe in themselves, to shed the idea that they are special because of their Americanness and to reclaim their kapwa, their humanity. He also challenges White America to find theirs. David has rendered a powerful and valuable meditation guided by self-reflection and familial love, and grounded in intellectual discernment and a generosity of spirit. An inspiring and informative read. James M. Jones, author of *Prejudice and Racism*, Second Edition. This book is a heartbreaking and heart-validating masterpiece about a Filipino American immigrant man who worries about the future of

his children in what was once deemed a post racial America In his letters to his family he tackles a spectrum of issues affecting people of color from unlawful police deaths to historical trauma to immigration reform His intersectional lens in understanding how his own multiracial kids may be forced to overcome obstacles like colonial mentality toxic masculinity institutional sexism and stereotype threat is one that is rare raw and refreshing for an academic He brilliantly uses personal stories historical facts and contemporary media accounts while tying in scientific psychological and epidemiological research to demonstrate how racism classism sexism heterosexism and other forms of oppression are slowly killing us In sharing the grief anger and trauma of losing his childhood friend to unjust police violence his voice becomes one that represents the weight that woke Black and Brown Americans carry with us daily as we continue to survive thrive and tremble in this society Kevin L Nadal author of *Filipino American Psychology A Handbook of Theory Research and Clinical Practice* David takes often theoretical constructs such as internal oppression white privilege historical trauma and provides visceral emotional contexts through examination of his own personal life and the lives of his loved ones both ancestral and current He delivers those contexts through well crafted letters to his wife sons and daughter explaining the complexities of their realities in an approachable easy to understand manner One of David s most striking analyses is bridging the perceived gulf between Native Americans and his status as a Filipino who immigrated to Native American lands This is an important work that ties together histories generations and peoples and provides the reader with a solid grounding to challenge the dominant narrative Bonnie Duran Indigenous Wellness Research Institute University of Washington History is about stories of conquests through the ages Historians often write those stories with a dispassionate view of colonization and oppression E J R David s book gives a personal narrative on topics of oppression and racism to his family It s also a gift to others whose voices have been muted Letters to his family is a time capsule worth reexamining Jim Aqpayuq W LaBelle An eye opening dive into the complex social impacts of colonization and intergenerational trauma told through the personal story of an immigrant Filipino psychology professor Written as heartfelt letters to his family of mixed Koyukon Athabascan and Filipino heritage it is an intimate and raw journey into awakening and truth I recommend it widely to immigrant Indigenous and mainstream populations alike Evon Peter Gwich in Athabascan Vice Chancellor for Rural Community and Native Education at the University of Alaska Fairbanks Board member for the Gwich in Council International *Social care* Great Britain: Parliament: House of Commons: Health Committee,2010-03-12 Incorporating HC 1021 i to iii session 2008 09 **Theory Of The Quantum World, The - Proceedings Of The 25th Solvay Conference On Physics** David J Gross,Alexander Sevrin,Marc Henneaux,2013-03-25 Ever since 1911 the Solvay Conferences have shaped modern physics The 25th edition held in October 2011 in Brussels and chaired by David Gross continued this tradition and celebrated the first centennial of this illustrious series of conferences The development and applications of quantum mechanics have always been the main threads in the history of the Solvay Conferences hence the 25th Solvay conference gathered many of the leading figures
