The Brothers Boswell Philip Edward Baruth,2009 In this literary thriller Baruth English Univ of Vermont The X President uses the relationship between diarist James Boswell and his brother John as

a lens to examine the complex and often troubled bond between the eldest son and a younger brother The plot revolves around a boat trip Boswell took to Greenwich in 1763 with his famous literary patron Samuel Johnson John recently released from a lunatic asylum and bearing two pistols follows them there to force a violent confrontation a sign not simply of his madness but of his lifelong ambivalence about James and his envy of James's burgeoning relationship with Johnson The suspense is somewhat blunted by the reader's knowing that Johnson and James Boswell obviously weren't killed in 1763 Nevertheless the book has a strong narrative thread and builds to a dramatic confrontation between the characters Baruth grounds his narrative firmly in the extensive source material produced by Johnson and Boswell and his depiction of Johnson is particularly convincing For fans of historical fiction See Prepub Mystery LJ 1 09 Douglas Southard CRA International Inc Boston Copyright Reed Business Information a division of Reed Elsevier Inc All rights reserved [The North Cascades](#) United States. The Book of Revelation: a New Beginning Terry L Newbegin, 2011-03-23 The Book of Revelation A New Beginning contains the hidden secrets of Saint John's Revelation and as you know it is one of the most debated and most difficult books of all the scriptures to read and understand because of the extreme symbolism tied to it Man has always assumed the word of God's prophets and their stories were indisputable just because of their eminence in interpreting them as being true Man has forgotten the history of himself Earth God the origin of the universe and how the scriptures have been documented interpreted and strictly passed down by our ancestors and religious leaders As symbolic as Revelation is it has nothing to do with the end days or even about a solitary Anti Christ as we understand it nor is it about Jesus coming to save you In truth Saint John's Revelation is your own guide showing you that you no longer need to look at yourself as a sinner because you have bared your cross like Jesus and now the time has come for you to ascend to a higher state of Mind The book of Revelation A New Beginning is a book that will help open the gates of your soul memories so you can become aware of your own divineness and that you are a God too My fellow Gods what is coming to an end is the old ways of perceiving and understanding God It is not that God is a mystery It is you that is the mystery and when fear is resolved within you are then ready to open up to the hidden secrets behind the Book of Revelation that religions have kept as a secret for thousands of years either on purpose or because of ignorance [The Dramatic Works](#) Ben Jonson, 1811
