EASY ENGLISH GRAMMAR AND COMPOSITION - For School

Students Prabir Rai Chaudhuri,2022-08-29 The study of grammar aids the student to master his mother tongue but its chief function is to secure mental discipline For the development of the intellectual powers the capable teacher well furnished with rational methods will find this study superior to all others It is a study in recognizing similarities in distinguishing differences in making abstractions in forming generalizations The object of Parts I IV of this book is to contribute something to the science of elementary English grammar Part V treats of composition The usual exercises in completing half built sentences in straightening out wrecks of sentences in combining simple sentences into complex sentences in expanding phrases into clauses etc will not be found therein They have done quite enough towards fostering stupidity in our schools The art of expression is acquired through steady practice therefore pupils should write compositions not once a week but during part of every period about things which they understand They should be taught good form in expression and trained to correct their own exercises This part of the work though brief will be found suggestive Teachers and pupils have not been deprived of the pleasure and profit of an independent examination of the construction of the prose selections
