The Routledge Companion to Women and Musical Leadership Laura Hamer, Helen Julia Minors, 2024-08-13 The Routledge Companion to Women and Musical Leadership The Nineteenth Century and Beyond provides a comprehensive exploration of women's participation in musical leadership from the nineteenth century to the present Global in scope with contributors from over thirty countries this book reveals the wide range of ways in which women have taken leadership roles across musical genres and contexts uncovers new histories and considers the challenges that women continue to face The volume addresses timely issues in the era of movements such as MeToo digital feminisms and the resurgent global feminist movements Its multidisciplinary chapters represent a wide range of methodologies with historical musicology models drawn from ethnomusicology analysis philosophy cultural studies and practice research all informing the book Including almost fifty chapters written by both researchers and practitioners in the field it covers themes including Historical Perspectives Conductors and Impresarios Women's Practices in Music Education Performance and the Music Industries Faith and Spirituality Worship and Sacred Musical Practices Advocacy Collectives and Grass Roots Activism The Routledge Companion to Women and Musical Leadership The Nineteenth Century and Beyond draws together both new perspectives from early career researchers and contributions from established world leading scholars It promotes academic practitioner dialogue by bringing contributions from both fields together represents alternative models of women in musical leadership celebrates the work done by women leaders and shows how women challenge accepted notions of gendered roles Offering a comprehensive overview of the varied forms of women's musical leadership this volume is a vital resource for all scholars of women in music as well as professionals in the music industries and music education today

The Art of Uncertainty David Spiegelhalter, 2025-03-04 Named a Best Book of the Year by Forbes and The Economist From our greatest living statistical communicator Tim Harford comes an invaluable data driven guide for understanding and learning to embrace risk and uncertainty in our daily lives How dangerous is our diet How much of sports falls into the realm of luck When authorities categorize a given event as highly likely how likely is that really Whether we're trying to decide if the benefits of a new medication are worth the chance of side effects or if artificial intelligence truly threatens humanity our lives are riddled with uncertainties both everyday and existential yet it can be difficult to know how to properly weigh all those unknowns Luckily for us renowned statistician David Spiegelhalter has spent his career dissecting data to resolve the apparently random and decode the many decisions we face with imperfect information In The Art of Uncertainty he shows how we can become better at dealing with what we don't know to make smarter choices in a world so full of puzzling

variables In lucid lively prose Spiegelhalter guides us through the principles of probability illustrating how they can help us think more analytically about everything from medical advice to sports to climate change forecasts He demonstrates how taking a mathematical approach to phenomena we might otherwise attribute to fate or luck can help us sort hidden patterns from mere coincidences better evaluate cause and effect and predict what s likely to happen in the future Along the way we learn how a misinterpretation of a probability contributed to the infamous Bay of Pigs fiasco why a ship twice the size of the Titanic sank without a trace and why we can be so confident that no two properly shuffled decks of cards have ever been in the same order Sparkling with wit and fascinating real world examples this is an essential guide to navigating uncertainty while also retaining the humility to admit what we don t or simply cannot know

My Revision Notes Edexcel AS History: The Experience of Warfare Barbara Warnock,2012-03-09 Written by senior examiners and experienced teachers of the course this student revision workbook for Edexcel AS History Unit 2 The Experience of Warfare closely combines course content with revision activities and advice on exam technique This allows students the opportunity to improve the skills needed to perform well in exam conditions through interacting with the content they need to revise In addition each section has a model answer with exam tips for students to analyse and better understand what is required in the exam

Routledge Handbook of Contemporary South Korea Sojin Lim, Niki J.P. Alsford, 2021-08-31 The Routledge Handbook of Contemporary South Korea offers a ground breaking study of the socio political development of the Korean peninsula in the contemporary period Written by an international team of scholars and experts contributions to this book address key intellectual questions in the development of Korean studies projecting new ways of thinking about how international systems can be organised and how local societies adapt to global challenges Academically rigorous each chapter defines current research and lends the reader greater understanding of the social cultural economic and political developments of South Korea ranging from chapters on the Korean Wave to relations with North Korea and the Korean language overseas The volume is divided into eight sections each representing a focused area of inquiry socio political history contemporary politics political economy and development society culture international relations security and diplomacy South Korea in international education This handbook provides an interdisciplinary and comprehensive account of contemporary South Korea It will be of great interest to students and scholars of Korean history politics and international relations culture and society and will also appeal to policy makers interested in the Indo Asia Pacific region

What is the Economy? Joe Richards, Beth Leslie, 2021-11-18 Why are houses so expensive Is our banking system going to collapse again Should we be worried that robots are going to take all our jobs And just what exactly is the economy anyway Economists and politicians would have you believe it is a rarified topic best left to the experts The experts are wrong This book uncovers what people really mean when they talk about the economy taking the word off its pedestal and showing that it s just a lens for seeing the world around us That at its heart economics is about you and the society you re a part of Explaining key concepts in economics in relation to how they directly affect your life from your money to your home your workplace to your future What is the Economy drags the obscure world of economics kicking and screaming towards the everyday and equips you with clarity and understanding

40 Ways to Diversify the History Curriculum Elena Stevens, 2022-07-14 In writing this book Elena Stevens aim is to respond to calls for a more diverse decolonised curriculum calls which have become more insistent following the reinvigoration of the Black Lives Matter movement the MeToo

movement and other landmark events Highlighting the lived experiences of women the working classes and BAME and LGBTQ communities in particular 40 Ways to Diversify the History Curriculum draws upon a wide range of personal stories to exemplify significant historical moments and shed new light on topics that have traditionally been taught through narrower lenses The book serves as a resource bank for teachers wishing to enliven and diversify history lessons at Key Stages 2 3 GCSE A level and beyond Elena helpfully opens with a discussion of the theoretical historiographical developments that lay behind calls to diversify the curriculum and to accompany each of the 40 historical case studies she provides ideas and activities for translating the case studies into lesson plans and enquiries Furthermore Elena also guides teachers in shaping new enquiries from scratch Suitable for teachers of secondary school and Key Stage 2 history NEW
