Pastor and Professor is one pastor s story of a rich life filled with experiences that tested his faith and demanded growth that was both exhilarating and painful It is the personal story of moving from faith as right doctrinal belief to faith as a liberating response to a loving God a God who is always with us continually drawing us into the future This dynamic understanding of faith is based on the belief that the kingdom of God is a present reality where followers of Jesus are to be pastoral in spirit while prophetic in living Don Blosser weaves personal experience with public expression of an emerging faith that wrestles candidly with the realities of life and deals with the pastor professor tension of integrating academic scholarship in the classroom with pastoral proclamation in the pulpit Pastor and Professor invites the reader to share a journey where faith is often challenged sometimes doubted yet lived with enthusiasm as it is shared from the pulpit and in the college classroom It invites the reader to find fresh insights in the Scriptures and to live with new hope to embrace life more fully and to share more gently one s own story with others The Congregationalist ,1922 *Small Preaching* Jonathan T.

Pennington,2021-04-28 Is bigger always better It s not often that we hear the virtues of the small Our culture teaches that bigger is better and that includes church ministry and preaching too But what if rather than swinging for the fences preachers focused on improving their sermons through small habits practices and exercises What if smaller is better In a world where small isn t always celebrated Jonathan T Pennington provides *Small Preaching* a short book of simple tips that can have revolutionary effects over time Pennington offers preachers 25 words of wisdom that will help shape their preaching for the better **The Christian Advocate** ,1929 *Preaching and Teaching with Imagination* Warren W.

Wiersbe,1997-02-01 No more dreary three point sermon outlines Wiersbe coaches preachers to creatively proclaim the living Word so hearers experience God s truth changing their lives **Preaching: Answering Questions Preachers Ask**

Keithron Powell,2012-06-07 Now that God has called you to preach you have a myriad of questions What do I say How do I say it How do I construct a sermon Should I use notes when I preach How do I sound The list goes on and on No matter how spiritual anyone tries to make preaching every preacher has questions about it because the mind recognizes even if only subconsciously that there is a natural side to the spiritual call to preach This reality means there are things you can do to make your preaching better that don t diminish the spirituality of preaching but will enhance it In this book Pastor Keith

reveals what most books on preaching neglect to inform you of both the technical and the practical side to preaching focusing on improving the human element The Sermons of Jonathan Edwards Jonathan Edwards, 2008-10-01 Jonathan Edwards widely considered America's most important Christian thinker was first and foremost a preacher and pastor who guided souls and interpreted religious experiences His primary tool in achieving these goals was the sermon out of which grew many of his famous treatises This selection of Edwards sermons recognizes their crucial role in his life and art The fifteen sermons four of which have never been published before reflect a life dedicated to experiencing and understanding spiritual truth Chosen to represent a typical cycle of Edwards preaching the sermons address a wide range of occasions situations and states corporate as well as personal The book also contains an introduction that discusses Edwards contribution to the sermon as a literary form places his sermons within their social and cultural contexts and considers his theological aims as a way of familiarizing the reader with the order of salvation as Edwards conceived of it Together the sermons and the editors introduction offer a rounded picture of Edwards the preacher the sermon writer and the pastoral theologian **Peace and Discipleship Sermons by EMCers (2014)** Chris Hughes, Garry Koop, Dwight Plett, Terry M. Smith, Arley Loewen, David Funk, David Kruse, Doris Penner, Eric Isaac, Harvey Plett, 2014-12-01 Why publish a booklet on peace and discipleship sermons Discipleship is a major emphasis in Scripture within that peace appears to be a key but sometimes neglected teaching in pulpit ministry **Philadelphia Methodist** , 1906 The General Baptist repository, and Missionary observer [afterw.] The General Baptist magazine repository and Missionary observer [afterw.] The General Baptist magazine , 1859 Evangelical Sermons of Our Day Andrew Watterson Blackwood, 1959 Baptist Commonwealth , 1909 **Teaching the Reformation** Amy Nelson Burnett, 2006-10-12 Though the Reformation was sparked by the actions of Martin Luther it was not a decisive break from the Church in Rome but rather a gradual process of religious and social change As the men responsible for religious instruction and moral oversight at the village level parish pastors played a key role in the implementation of the Reformation and the gradual development of a Protestant religious culture but their ministry has seldom been examined in the light of how they were prepared for the pastorate Teaching the Reformation examines the four generations of Reformed pastors who served the church of Basel in the century after the Reformation focusing on the evolution of pastoral training and Reformed theology the theory and practice of preaching and the performance of pastoral care in both urban and rural parishes It looks at how these pastors were educated and what they learned examining not only the study of theology but also the general education in languages rhetoric and dialectic that future pastors received at the city's Latin school and in the arts faculty of the university It points to significant changes over time in the content of that education which in turn separated Basels pastors into distinct generations The study also looks more specifically at preaching in Basel demonstrating how the evolution of dialectic and rhetoric instruction and particularly the spread of Ramism led to changes in both exegetical method and homiletics These developments combined with the

gradual elaboration of Reformed theology resulted in a distinctive style of Reformed Orthodox preaching in Basel The development of pastoral education also had a direct impact on how Basels clergy carried out their other duties catechization administering the sacraments counseling the dying and consoling the bereaved and overseeing the moral conduct of their parishioners The growing professionalization of the clergy the result of more intensive education and more stringent supervision contributed to the gradual implantation of a Reformed religious culture in Basel

Preaching Re-Imagined Doug Pagitt, 2009-05-18 Imagine for a moment that you can forget almost everything you ve ever read ever heard ever been taught about preaching Somehow everything is new nothing is impossible Imagine if with the Holy Spirit s working missional communities could be formed vibrant stories would be told and retold for generations in new and ever vivid manners of communication emergentYS author and pastor Doug Pagitt offers an invitation to the kind of preaching that creates followers of God who serve the world well and live the invitation to the rhythm of God He introduces you to an approach to engaging with the Bible with a focus on three questions What kind of communities are we forming Sociology What story are we telling Theology How can we tell it more effectively Communication These questions are engaged through the introduction of Progressional Implicatory Preaching This insightful combination of both theory and practical advice will open the floodgates of your imagination to once again dream big dreams for your church Envision Preaching beyond speechmaking as an agent in the creation of Christian communities and take a hopeful look toward new approaches to encouraging the spiritual formation of your church body Includes study discussion questions
