Bass, Craig Dykstra, 2008-04-29 Bass and Dykstra have written extensively and collaboratively on Christian Practices arguing that the what Christians have done faithfully over time constitutes a life giving way of life and that this living of Christianity is more primary to what it means to be Christian than doctrinal confession that our confessions spring from faithful living rather than

the other way around This book contains numerous essays that take up the question of Christian Practices and ministry the preparation of ministers theological education etc in a post Enlightenment understanding of the relationship of practice and head knowledge Because the book is the result of a community conversation it doesn t have a clear thesis but it models its conviction that reflection on theology arises from community conversation around our life in discipleship together An extremely helpful beginning to a conversation about ministry practices of faith clergy preparation etc as the time has come to integrate the kind of learning that comes in the classroom with the kind that only comes from living the faith with others

Students, Volume 2 Jason K. Allen, 2021-06-01 Few books have more influenced those called to gospel ministry than Charles Spurgeon's *Lectures to My Students*. This influence of this book like the Prince of Preachers himself reverberates to our present age. Carrying forward this tradition is Jason Allen's *Letters to My Students*. Dr. Allen serves as president of Midwestern Baptist Theological Seminary and Spurgeon College, the former ranking as one of the largest and fastest growing seminaries in North America. Dr. Allen has also served in multiple pastorates. His passion to serve the church by equipping a generation of pastors, missionaries, and ministers for faithful service is reflected in *Letters to My Students*. *Letters to My Students* is a biblical, accessible guide for ministers and ministers in training. It brings both biblical and practical wisdom to bear on the minister's three main responsibilities: preaching, leading, and shepherding the flock of God. Martin Lloyd Jones famously described the call to ministry as the highest, greatest, and most glorious calling to which one can be called. If this assessment resonates with you, you'll want every available tool to strengthen your ministry. *Letters to My Students* is one such resource.

In the wake of crises that have exposed and accelerated massive cultural shifts, we see more clearly the seismic shifts of post-Christendom: the surging storms of a new paganism and pluralism and the scattered debris of the cultural aftermath. Drawing on new research from the Barna Group, Scripture, and church history, pastor, theologian, and researcher Glenn Packiam addresses some of the most pressing questions for today's leaders, including: What is a pastor's calling and vocation? How do church leaders regain credibility in a disillusioned world? How do church leaders cultivate a deeper life with God? How do pastors develop meaningful relationships? Why does the church gather in worship? Does it still matter if we do? How do we actually make disciples in this new landscape? How can we face the challenges to unity presented by nationalism and racism? What is the church's mission in the world? How do we welcome the presence and power of God in our churches? This book is for all who are burdened by the challenges facing the church as well as the turbulence of our times. With infographics, enlightening data, and insights from other ministry leaders, this book is the perfect resource for church leaders who want to cultivate resilience in their ministry today.
