In February 1534 a radical group of Anabaptists gripped with apocalyptic fervor seized the city of M nster and established an idealistic communal government that quickly deteriorated into extreme inequality and theocratic totalitarianism In response troops hired by the city s prince bishop laid siege to the city Fifteen months later the besieged inhabitants were starving and in the dead of the night five men slipped out Separated from his fellow escapees Henry Gresbeck gambled with his life by

approaching enemy troops Taken prisoner he collaborated with the enemy to devise a plan to recapture Münster and later recorded the only eyewitness account of the Anabaptist kingdom of Münster Gresbeck's account which attempts to explain his role in the bizarre events disappeared into the archives and was largely ignored for centuries Before now Gresbeck's account was only available in a heavily edited German copy adapted from inferior manuscripts Christopher S Mackay who previously produced the only modern translation of the main Latin account of these events has adhered closely to Gresbeck's own words to produce the first complete and accurate English translation of this important primary source **Underground America**
