

## Words Free as Confetti

Come, words, come in your every color.  
I'll toss you in storm or breeze.  
I'll say, say, say you,  
taste you sweet as plump plums,  
bitter as old lemons.  
I'll sniff you, words, warm  
as almonds or tart as apple-red,  
feel you green  
and soft as new grass...

**Text-Dependent Questions, Grades K-5** Douglas Fisher, Nancy Frey, Heather Anderson, Marisol Thayre, 2014-09-02  
Fisher Frey's answer to close and critical reading. Learn the best ways to use text dependent questions as scaffolds during close reading and the big understandings they yield. But that's just for starters. Fisher and Frey also include illustrative video texts and questions, cross-curricular examples, and an online facilitator's guide, making the two volumes of TDQ a potent professional development tool across all of K-12. The genius of TDQ is the way Fisher and Frey break down the process into four cognitive pathways: What does the text say? How does the text work? What does the text mean? What does the text inspire you to do?

What to Read When Pam Allyn, 2009-04-02  
Read Pam Allyn's posts on the Penguin Blog. The books to read aloud to children at the important moments in their lives. In *What to Read When*, award-winning educator Pam Allyn celebrates the power of reading aloud with children. In many ways, books provide the first opportunity for children to begin to reflectively engage with and understand the world around them. Not only can parents entertain their child and convey the beauty of language through books, they can also share their values and create lasting connections. Here, Allyn offers parents and caregivers essential advice on choosing appropriate titles for their children, taking into account a child's age, attention ability, gender, and interests, along with techniques for reading aloud effectively. But what sets this book apart is the extraordinary annotated list of more than three hundred titles suitable for the pivotal moments in a child's life. With category themes ranging from friendship and journeys to thankfulness, separations, silliness, and spirituality, *What to Read When* is a one-of-a-kind guide to how parents can best inspire children through reading together. In addition, Pam Allyn includes an indispensable Reader's Ladder section with recommendations for children at every stage, from birth to age ten. With the author's warm and engaging voice throughout, discussion questions to encourage in-depth conversations, as well as advice on helping kids make the transition to independent reading, this book will help shape thoughtful, creative, and curious children, imparting a love of reading that will last a lifetime.
