Hey there y'all! My favorite recipes came direct from my momma and grandmommas. I just love goin' through all the recipe cards they passed on to me and readin' their handwritten notes; it makes me remember our good times in the kitchen gathered round the table. Sometimes though I need a little remindin' when it comes to writin' down my own recipes and recollections, so I've put together this darlin' little journal to get me and you started recordin'. I know I never forget a meal, but I also know that Jamie and Bobby aren't always listenin' to what I'm tellin' em. So for you and the boys I've included some tried and true recipes and some of my hard-learned tricks for gettin' out of culinary scrapes. And Lord, honey, have there been a few! Whether it is a real disaster, the boss and his wife are comin' over and the kitchen is full of smoke, no shame in servin' some takeout or just an everyday bump in the road, your husband didn't hear the buzzer and the cake got a little dry in the oven, let some sugar water soak into those layers and no one will know the difference. I've got your answer. Just get cookin' and let loose; nothin' makes memories like the smell of home-cooked meals. Jot down your ingredients and your musings, cut out a recipe card or two to share with friends, keep track of who came to dinner, who liked what and who laughed the loudest, remember the good times and learn from the bad. Like I always say, there's not much in life you can't learn in the kitchen. Paula Deen **Paula Deen Celebrates!** Paula Deen, 2006-10-10.
