

## **Welcome Address**

To our distinguished guest, to our school administrators, headed by the Chairman of the Board and Treasurer, Dr. Arturo A. Orosco, Sr., our school's President, Dr. Arturo O. Orosco, Jr., to our beloved principal, Mrs. Maria Veronica C. Calubaquib, principals of different campuses, dynamic teachers and staff, our dear parents, fellow graduates, a pleasant afternoon and welcome to the Graduation Ceremony of Saint Francis of Assisi College for school year 2013 – 2014.

The most significant event in a student's life is none other than graduation. And since it is the end of this stage in our education, it brings us a mixture of joy and pain. Joy for reaching our goals, and pain for saying goodbye to the people who became a part of our lives.

My fellow graduates, we are about to reach high school. We must enjoy the next 6 years of our lives in order for us to reach our goals of graduating high school, and finally, college. Our Alma Mater, Saint Francis of Assisi, taught us the values that we need in order for us to face our future without fear.

We would like to thank those who worked hard in organizing this well-prepared event. Our Graduation is even more memorable because you have spent time and effort to ensure that we will have a meaningful ceremony. Thank you dear teachers for the knowledge you have given us and all those lessons you have shared with us.

Thank you dear parents for working hard to give us a good education. We are happy that you are here with us today because this is a milestone for us. And most of all, thank you God for all of Your blessings.

And so my dear parents, honoured guests, in behalf of the graduating class, it is my pleasure to welcome you to witness this year's Graduation Ceremony. Very soon we shall march on this very stage, one by one, to receive our awards and diplomas.

Classmates, fellow graduates, I wish you all good luck for the coming years in our lives. May the years to come be kind to all of us and may God and His wisdom bless us with success. Thank you very much. Once again, welcome and good afternoon.

Free speech has been a historically volatile issue in higher education In recent years however there has been a surge of progressive censorship on campus This wave of censorship has been characterized by the explosive growth of such policies as trigger warnings for course materials safe spaces where students are protected from speech they consider harmful or distressing micro aggression policies that often strongly discourage the use of words that might offend sensitive individuals

new bias reporting programs that consist of different degrees of campus surveillance the dis invitation of a growing list of speakers including many in the mainstream of American politics and values and the prominent shouting down or disruption of speakers deemed inconsistent with progressive ideology Not to be outdone external forces on the right are now engaging in social media bullying of speakers and teachers whose views upset them The essays in this collection written by prominent philosophers political scientists sociologists and legal scholars examine the issues at the forefront of the crisis of free speech in higher education The contributors address the broader historical cultural legal and normative contexts of the current crisis and take care to analyze the role of due process in protecting academic freedom and individuals accused of misconduct Additionally the volume is unique in that it advances practical remedies to campus censorship as the editors and many of the contributors have participated in movements to remedy limitations on free speech and open inquiry The Value and Limits of Academic Speech will educate academic professionals and informed citizens about the phenomenon of progressive censorship and its implications for higher education and the republic
