101 Sample Write-Ups for Documenting Employee Performance Problems Paul Falcone, 2010-03-24 Whether you're addressing an initial infraction or handling termination worthy transgressions you need to be 100 percent confident that every employee encounter is clear, fair, and most importantly, legal. Thankfully, HR expert Paul Falcone has provided this wide-ranging resource that explains in detail the disciplinary process and provides ready-to-use documents that eliminate stress and second-guessing about what to do and say. Revised to reflect the latest developments in employment law, the third edition of *101 Sample Write-Ups for Documenting Employee Performance Problems* includes expertly crafted, easily customizable write-ups that address sexual harassment, absenteeism, insubordination, drug or alcohol abuse, substandard work, email and phone misuse, teamwork issues, managerial misconduct, confidentiality breaches, social media abuse, and more. With each sample document also including a performance improvement plan, outcomes and consequences, and a section of employee rebuttal, it's easy to see why over 100,000 copies have already been sold, making life for managers and HR personnel significantly easier when it comes to addressing employee performance issues.

Yoder-Wise's Leading and Managing in Nursing: First South Asia Edition - eBook Latha Venkatesan, Milan Tirwa, 2024-01-12 In the dynamic and ever-changing healthcare landscape of South Asia, effective leadership and management in nursing are crucial. The unique demands of this region require a specialized approach that bridges the gap between international nursing practices and regional requirements. This adaptation seeks to empower nurses to provide care of the highest quality and to lead with unwavering confidence. By harmonizing the roles and responsibilities of nurses in South Asia, this resource aims to inspire devoted nurses to overcome challenges encountered in healthcare settings. With the rich tapestry of cultures and traditions that characterize this region, this adaptation serves as a sincere endeavour to address the specific needs of the patients and healthcare systems. This title has been tailored to meet the requirements of nursing students enrolled in PG Nursing and Advanced Practice Nursing Course ANP, aiming to enhance their leadership qualities as they assume managerial roles. It also serves as a useful reference for final-year UG Nursing students in developing a comprehensive understanding of Management and Leadership. Serves as a compass to guide the nurses towards the development of essential leadership skills that align with the ever-changing demands of healthcare institutions and organizations. Illuminates the unique roles played by national regulatory bodies and national-level nursing associations. Covers all the important aspects of Nursing management with the latest updates. Flowsheets and diagrams make it simpler and easier to comprehend. The Challenge opens each chapter with a real-world scenario in which practising nurse leaders/managers offer personal stories encouraging you to think about how you would handle the situation. The Solution closes each chapter with an effective method to handle the real-life situation presented in The Challenge, demonstrating the ins and outs of problem-solving in practice. Tips for Leading, Managing, and Following offer practical guidelines for applying the information in each chapter. Next Generation NCLEX case studies
