Managing Technological Innovation Frederick Betz, 2011-02-22 Written by the author who helped crystalize the field of technology management and the management of innovation with the first two editions of Managing Technological Innovation this Third Edition brings the subject in line with current business strategy It also presents information in a newer organized format that aligns more closely with how the topics are presented and discussed in the classroom Also included is a wider discussion of how science and technology interact with the global economy , **Essentials of Consumer Behavior** Debra L. Stephens, 2016-10-26 Essentials of Consumer Behavior offers an alternative to traditional textbooks for graduate students Shorter than competing books but no less rigorous it includes unique material on vulnerable consumers and ethics Balancing a strong academic foundation with a practical approach Stephens emphasizes that consumer behavior does not simply equate to buyer behavior She examines the thoughts feelings and behaviors that shape consumers attitudes and motivations in relation to brands products and marketing messages Providing a concise guide to the discipline the author covers key themes such as vulnerable consumers new technologies and collaborative consumption The book is supported by a rich companion website offering links to videos and podcasts surveys quizzes further readings and more It will be a valuable text for any graduate student of consumer behavior or marketing as well as any interested consumers **Global Meets Digital** Vinod Jain, 2023-06-02 The world today is at the intersection of two megatrends Globalization and Digitalization a business revolution unfolding in real time Global Meets Digital captures the many nuances of this revolution succinctly including its impact on our lives and business An immediate implication of this revolution is that the economic principles that underpinned business and strategy for hundreds of years such as diminishing returns to scale and resource scarcity are no longer valid for a large and growing number of products and services The book will challenge you to think differently not just about digital products but also about physical products In the global digital world products are of three kinds physical digital and smart machines products that are both physical and digital and connected to the internet a distinction missed by most books on strategy and global business The economics of each kind of products is distinct from that of the others which has strategic implications for all kinds of businesses implications such as how to compete and how to create and capture value With several mini case studies and over 100 company examples the book covers themes and cutting edge issues like the paradox of globalization digital disruption disruptive business models exponential technologies Internet of Things competition in digital markets winner take all market dynamics Industry 4.0 how to innovate strategizing for the New Normal and value creation and value capture in both B2C and B2B contexts The book derives its underpinnings from the practice of global and digital business while theory remains in the background Intended specifically for an executive professional audience Global Meets Digital should also be of value to business students and professors learning to dip their toes into a digital world Vinod Jain is an expert in global and digital strategy award winning professor Fulbright Scholar and

author of an MBA textbook Global Strategy He taught at the Rutgers Business School Newark and New Brunswick and the Robert H Smith School of Business University of Maryland College Park At Maryland he was also the Founding Director of the federally funded Center for International Business Education and Research and Academic Director of Smith School's Executive MBA program in China Since leaving Maryland he has taught in China Denmark Finland Poland and India as a visiting or term professor His opinion pieces have appeared in The Washington Post The Baltimore Sun Mensa Bulletin and Economic Times and Mint India's 1 and 2 business dailies among other media In the past he worked as a middle and senior level executive with American and British multinationals Vinod has a PhD in Strategy and International Business from the University of Maryland College Park MS in Management from UCLA and MS and BS Hons in Statistics from the Indian Statistical Institute Calcutta
