Read this user manual before operating your headset, and keep it for future reference. This manual contains important information regarding your headset's correct use and proper care. Important safety information is provided for your information purposes. The actual product may vary.

Safety precautions

- When using your headset while driving, follow local regulations in the region you are in. Never use a mobile or in-vehicle phone headset for any reason. Doing this may cause the headset to malfunction or become unusable. It may also distract or distract you from driving. Please refer to your local laws.
- Keep your device and all accessories out of the reach of small children or animals. Small parts may cause choking or strangulation if swallowed.
- Avoid exposing your device to any condition beyond the recommended limits (e.g., 0°C to 35°C or 32°F to 95°F). Extreme temperatures can cause the deterioration of the device and reduce the charging capacity and life of your device.
- Do not allow your device to get wet. • Headset can cause serious damage. Do not transfer your device with wet hands. Water damage to your device can void your manufacturer's warranty.
- Avoid using your device's light sensor in the eyes of children or animals.
- Do not use the device in a car or a moving train. Your device is not a certified device to be used while driving. Use of a device while driving is illegal in many countries.
- Excessive exposure to heat or cold can cause hair being damaged. Exposure to heat sources while driving may distract your attention and cause an accident. Use only the minimum volume setting necessary to hear your voice clearly.
