Only Human Jenny Diski,2025-06-25 What if God fell in love and the person was already married A bitter story of the very first love triangle between a man his wife and their God First came Adam whose fall soured His quest for absolute authority then Noah whose dreary sense of duty He found dull God resolves for a third and final time to get it right to select a vessel through whom He can direct human affairs and to whom He can communicate directly His will He chooses a solitary figure whose trust must be wooed but whose faith once secured will surely reflect even greater glory and love Were matters only that simple In *Only Human* Jenny Diski's brilliant and affecting retelling of the Abraham and Sarah story God learns that no man chosen or not is solitary and that the bonds forged by the human heart are resilient even to divine commandment Diski transforms an archetypal tale of Old Testament obedience into a fierce love triangle a test of wills over not only mankind's future but over who will tell the story of its past
