Spiritual Body are gifted by the Holy Spirit to fit and work together in systems to accomplish God's agenda. Effectual functioning in the Spiritual Body requires the use of all gifts as God intended. Knowing this, the devil uses confusion and attacks to restrict, divide or destroy Body parts, thus slowing the growth and limiting the effectiveness of the Spiritual Body. In *Gifted to Fit*, Dr. D applies many years of study and insights to show us how clarity about functioning in the Spiritual Body can be life-changing for the reader. Spiritual knowledge and insights diminish confusion and produce growth and love for the Lord and His Body. For a spiritual part, knowing and understanding one's gift, gift mix, responsibility and fit in the Body increases the ability to be an effective, unrestricted fruit bearer for the Lord through the Holy Spirit. With increased clarity comes increased responsibility for performance; therefore, she challenges every spiritual part to know the Holy Spirit and to exercise his or her gifts faithfully and fearlessly in the appropriate gift system(s) to benefit others and fulfil God's eternal purposes for the Spiritual Body, which is the Body of Christ.
