*Becoming Bestsellers: John Grisham and Danielle Steel (Sample from Chapter 2 of THE
BESTSELLER CODE)* Jodie Archer, Matthew L. Jockers, 2016-08-16 This sneak peek teaser featuring literary giants John
Grisham and Danielle Steele from Chapter 2 of The Bestseller Code a groundbreaking book about what a computer algorithm
can teach us about blockbuster books stories and reading reveals the importance of topic and theme in bestselling fiction
according to percentages assigned by what the authors refer to as the bestseller ometer Although 55 000 novels are
published every year only about 200 hit the lists a commercial success rate of less than half a percent When the computer
was asked to blindly select the most likely bestsellers out of 5 000 books published over the past thirty years based only on
theme it discovered two possible candidates The Accident by Danielle Steel and The Associate by John Grisham The computer
recognized quantifiable patterns in their seemingly opposite but undeniably successful writing careers with legal thrillers

and romance In Chapter 2 Archer and Jockers analyze this data and divulge the most and least likely to best sell topics and themes in fiction with a human discussion of the why behind these results The Bestseller Code is a big idea book about the relationship between creativity and technology At heart it is a celebration of books for readers and writers a compelling investigation into how successful writing works *The Recovery Agent* Janet Evanovich, 2023-08-22 Lost something Gabriela Rose knows how to get it back As a recovery agent she's hired by individuals and companies seeking lost treasures stolen heirlooms or missing assets of any kind She's reliable cool under pressure and well trained in weapons of all types But Gabriela's latest job isn't for some bamboozled billionaire it's for her own family whose home is going to be wiped off the map if they can't come up with a lot of money fast Inspired by an old family legend Gabriela sets off for the jungles of Peru in pursuit of the Ring of Solomon and the lost Treasure of Lima But this particular job comes with a huge problem attached to it Gabriela's ex husband Rafer It's Rafer who has the map that possibly points the way to the treasure and he's not about to let Gabriela find it without him Rafer is as relaxed as Gabriela is driven and he has a lifetime's experience getting under his ex wife's skin But when they aren't bickering about old times the two make a formidable team and it's going to take a team to defeat the vicious drug lord who has also been searching for the fabled ring A drug lord who doesn't mind leaving a large body count behind him to get it The Recovery Agent marks the start of an irresistible new series that will have you clamoring for more and cheering for the unstoppable Gabriela Rose on every page **The Big Kahuna** Janet Evanovich, Peter Evanovich, 2019 When unlikely partners FBI agent Kate O Hare and con man Nicholas Fox investigate a missing Silicon Valley billionaire known as the Big Kahuna they go undercover as a married couple in Paia Maui to find the man's son
