Although dancing Salsa is a natural and easy habit for a Latin person, anybody that feels the passion, curiosity and desire to explore the deep mysterious rhythm can be an expert. The passion is what makes it possible. Passion is an inevitable tool to perfect this amiable art and way of life in a global village in which we reside today. Man has lived at different times in history and has accumulated knowledge of a wide variety; they have adapted themselves to varying environmental conditions in the pursuit of survival. One of such ways speaks in the expression of music and dance.

Every culture defines its peculiarity expression if this art but out of all, one stands out: the Salsa dance. It culminates as the integration of major dance styles, spread across continents but deeply rooted in African rhythms; a fascinated fellow can swim in the vast ocean of its splendor. Sees thou the steps of learner taking a cue from the grand masters of the ancient and incredible ancient Salsa dance? He is astonished by the variety it portrays, swept off the foot by its elements of unique presentation and driven home with a heart of joy, when he sees a couple Salsa performances around a limited unit of space.

Although usually limited as spot dance, it radiates immense fragrance that lives the dancers and the viewers with a lasting awe. Passion is rightly defined by the Oxford Advanced Learners' Dictionary as 'a very strong feeling of love, hatred, anger, and enthusiasm, etc.' It also defines it as 'a very strong feeling of sexual love'. Besides, passion can be directed at something: food, clothing, housing, a particular culture, a field of endeavor, career, hobby, sports, with a view to excelling in that particular thing.

Really, in all these cases, it is important to recognize that passion is a strong feeling; it has a strength of its own that cannot be easily altered. It does not necessarily need an external impetus because it is self-perpetuating. It is a quality that is readily applicable to learning Salsa dance. Passion is different from utility or mere superficial desire or admiration for a thing/goal; it can stand the test of time, can persist even in the face of adversities.

For example, an individual who develops keen interest and eventually becomes passionate about something understands that his choice would be tested by time and events of life, and he is ready. He knows that his passion for dancing may infuriate his close allies who do not share his passion. Yet, he is undisturbed by such and still maintains his position because he has deep conviction about his passion, and that keeps him going. It is important to give a general overview of the dance: Salsa dance has its root in Latin and North America, the Caribbean and with undertones of African influence.

Informal dance styles are fused in Salsa dance; such styles, which are peculiar to it, include Los Angeles, Venezuelan, and New York, Columbian, Pow
