Boone, 2017-04-12 In *The Chronological History of the Roanoke Missionary Baptist Association and Its Founders from 1866-1966*, Dr. L. Morings Boone has created a historical memorial to the founding fathers of the Roanoke Missionary Baptist Association. These men played a great part in shaping the destiny of the members of the Roanoke Missionary Baptist Association. Distinguished in their religious and public life, these men left their stamp on the history of the Negro Church of Northeastern North Carolina and Virginia. Dr. L. Morings Boone has done another tremendous job of restoring a history and legacy of African American clergy who established a ministerial alliance against the backdrop of racial oppression and dismal circumstances. These faithful and courageous founding fathers led their congregations in such a way as to establish the Roanoke Institute to educate the children of northeastern North Carolina. Dr. Boone has searched tirelessly into the history of the association to discover the passionate work that drove these men against the tyranny of southern discrimination to elevate their communities through their Missionary Baptist efforts and through public education.

*A Guide to the Period of Mystagogy* Corinna Laughlin, Mary A. Wax, Stephen S. Wilbricht, csc, 2024-09-01 After the excitement of the Easter Vigil, the period of mystagogy can often be overlooked by the initiation team and the neophytes. However, it is an essential part of the Christian initiation process because it helps the neophytes deepen their relationship with Christ and with the Church. Mystagogical reflection is an important part of the spiritual growth of all parishioners, from neophytes to lifelong Catholics, because it invites the faithful to reflect on their encounters with Christ in the sacraments and then consider the transformative effects those encounters have on their daily lives. *A Guide to the Period of Mystagogy* encourages members of the initiation team to make the most of this period and provides practical support to do so. It includes an overview of six foundational principles of initiation ministry and how they are applied to the period of mystagogy. Theological insights from the early Church's practice of mystagogy. Practical advice for implementing mystagogical reflection in your parish. Nine mystagogical reflection sessions that can be used during Easter Time. Fifteen mystagogical reflection sessions that can be used during the first year following initiation.
