**The Power of Tongues** ,2005      The Prosperity Gospel in Africa Marius Nel,2020-06-15 Africans prevailing interest in the prosperity gospel is not only connected to the influence of American prosperity teachers reaching a worldwide audience through their imaginative use of the media but is also related to the African worldview and African traditional religion and its lasting influence on contemporary Africans and the way they think about prosperity as well as their interest in prosperity in post colonial Africa The research from a classical Pentecostal perspective about the impact of the prosperity message on Africa is necessary timely and relevant because of its influence in the African Pentecostal movement and its potential to harm the faith of believers leading to the potential disillusionment of Christian believers who put their trust and money in formulas and recipes that seemingly only work for others especially the prosperity leaders who lead by example with incredulous riches and wealth      **The Power Of Your Mind** Chris Oyakhilome D.Sc., D.D.,2019-04-01 God s dream is for you to come into full possession of His manifold blessings and your mind is the vital instrument He s given you to appropriate this provision This timely classic opens to you that realm of endless possibilities and helps you explore the unlimited potential of your mind So get ready to make the right changes in the structure of your thinking and be that excellent personality Put your mind power to work and be all God wants you to be There are no limits to what you can achieve and absolutely no restrictions to how high you can propel yourself when you put your mind power to work In The Power of Your Mind Pastor Chris reveals that the mind is a spiritual entity and its greatest potentials can only be reached through the education of the human spirit with God s Word which ultimately influences the mind As you read you ll discover essential truths on Renewing Your Mind The Concept of Mind Management The Power of Thoughts Pulling Down Strongholds Dealing With Negative Thoughts And Emotions Attitude Your Mental Disposition Meditation Your Moment of Creation and so much more      Secrets to Reaching Your Destiny Salay H. **Turn, Turn, Turn** Steve Turner, 2025-04-08. Did you know 36% of Bob Dylan's songs published between 1961 and 1968 had biblical references including his 1964 hit "The Times They Are A-Changin'"? The book of Ecclesiastes has been a great inspiration on popular music including the song "Turn Turn Turn" by The Beatles, the Pink Floyd album *The Dark Side of the Moon*, and Desperado, the 1973 hit by The Eagles among others. Paul Simon once advised a young prospective lyricist to raid the Bible for memorable phrases. Just steal them, he said. That's what they're there for. There's no question that Scripture has influenced music since the first ever song was penned. In *Turn Turn Turn*, author and music connoisseur Steve Turner takes an in-depth look at the lyrics and cultural context of 100 of the greatest songs from the 1930s to today to reveal an often overlooked or ignored strand of influence in popular music: the Bible. Indeed, some of the greats including Bob Dylan, Leonard Cohen, Bono, Johnny Cash, Sting, and others have repeatedly returned to the Bible for such sustenance as well as musical inspiration and a framework with which they can better understand themselves. I hope the book prompts, provokes, and intrigues as it reveals this often hidden history, writes Steve Turner. You'll never listen to your favorite song or popular tune the same way again after discovering how the Bible has influenced music.

*Sociology of Religion* William Mirola, Michael Emerson, Susanne Monahan, 2019-02-18. *Sociology of Religion* is a collection that seeks to explore the relationship between the structure and culture of religion and various elements of social life in the United States. This reader is an ideal standalone course text and can also serve as a supplement to the text written by the same author team, *Religion Matters* (Routledge, 2010). Based on both classic and contemporary research in the sociology of religion, this new third edition highlights a variety of research methods and theoretical approaches to studying the sociological elements of religion. It explores the ways in which religious values, beliefs, and practices shape the world outside of church, synagogue, or mosque walls while simultaneously being shaped by the non-religious forces operating in that world.

*Sensational Piety* Murtala Ibrahim, 2022-08-11. Grounded in anthropological comparison and the concept of materiality, this book offers an in-depth ethnographic study of the similarities and differences among various forms of religious practices in a Pentecostal Church, Christ Embassy, and an Islamic group, NASFAT, in the Nigerian capital of Abuja. Scholarship in this area tends to focus on inter-religious contestations and conflicts; however, this book proposes that another dynamic is unfolding between Christians and Muslims that is characterised by

conviviality interfaith joint action programmes mutual influences and even the exchange of religious forms The comparative approach reveals that notwithstanding the seemingly opposed worldviews and divergences between Muslims and Christians they all face similar challenges and apply similar techniques for meeting the challenges posed by the precarious Nigerian urban environment It is through practices especially those conducted in semi public settings that people from different religious persuasions define encroach on and feel the weight of each other s presence The Advance ,1905 *The House of Mama Orprah* Fanny FM,2017-11-07 It was a monstrous day for Micah she was caught in the devil s hem after running away from his agent and escaping from the devil would only take her to the worst condemnation From a remote village in Africa Micah is forced by her parents to marry an old fat and hairy man for financial welfare Her days of gruesome unhappiness journeys her into the arms of a lover who helps her escape to America This story follows through her sad teenage emotional moments to terrifying experiences in the hands of an American Pimp What unfolds to usher her in the awakening of self realization is a dismay as her only gratitude is to journey and visit The House of Mama Orprah
