Elementary Social Studies S.G. Grant, Bruce A. VanSledright, 2014-03-14 Organized around four commonplaces of education: learners and learning, subject matter, teachers and teaching, and classroom environment. Elementary Social Studies provides a rich and ambitious framework to help social studies teachers achieve powerful teaching and learning results. Real classroom narratives that introduce each chapter and provide in-depth access to teaching and learning contexts. Practical curriculum and resource suggestions for the social studies classroom. End-of-chapter summaries and annotated teaching resources.
