

Paul Bunyan

There is a famous folktale about **Paul Bunyan**. **Paul** was a giant lumberjack, and it is said that he weighed 500 pounds when he was born! One day, **Paul** found an ox in a pile of snow. She was blue from the cold, and he named her Babe. Babe grew big just like **Paul**. **Paul** used his ox to dig five big lakes to give Babe more water to drink. These lakes were called the Great Lakes.

Paul began a logging camp and hired lots of men. These men were very hungry and loved to eat pancakes. The camp cook could not cook pancakes fast enough. **Paul** and Babe built an enormous pan. All of the men helped the cook. They chopped bacon for their feet. They made a big fire under the pan. Then, they started on the pan with the bacon to grease it. The cook made thousands of pancakes in the pan. When the logging was done, **Paul** and Babe moved on. They went on to do more big things at other camps.
