Gore, 2022-03-30 This volume examines women and wildlife trafficking via a collection of narratives case studies and theoretical syntheses from diverse voices and disciplines Wildlife trafficking has been documented in over 120 countries around the world While species extinction and animal abuse are major problems wildlife trafficking is also associated with corruption national insecurity spread of zoonotic disease undercutting sustainable development investments and erosion of cultural resources among others The role of women in wildlife trafficking has remained woefully under addressed with scientists and policymakers failing to consider the important causes and consequences of the gendered dimensions of wildlife trafficking Although the roles of women in wildlife trafficking are mostly unknown they are not unknowable This volume helps fill a lacuna by examining the roles and experiences of women with case studies drawn from across the world including Mexico Cameroon the Central African Republic South Africa and Norway Women can be wildlife trafficking preventors perpetrators and pawns their roles in facilitating wildlife trafficking are considered from both a supply and a demand viewpoint The first half of the book assesses the range of science offering four different perspectives on how women and wildlife trafficking can be studied or evaluated The second half of the book profiles diverse case studies from around the world offering context specific insight about on the ground activities associated with women and wildlife trafficking This book will be of great interest to students and scholars of wildlife crime environmental law human geography conservation gender studies and green criminology It will also be of interest to NGOs and policymakers working to improve efficacy of efforts targeting wildlife crime the illegal wildlife trade and conservation more broadly

MURDER IS JUST THE WARNING Terry Hayward, 2012-09-09 MURDER in a public park and the daughter of a jailed mob boss is kidnapped so the

action begins All this violence is just a warning to put pressure on the jailed mobster to prevent him spilling all to the authorities The mobster s gardener is arrested for the murder and a lively courtroom drama ensues The lawyer and his private investigator are hired to find the missing child The search leads to a mob farm on South Africa s Highveld near Johannesburg into the highrise slums of Hillbrow then into the township of Soweto This is followed by a mad dash into neighbouring Zimbabwe to rescue the investigator s young brother in law from a group of rogue Zimbabwean soldiers involved in rhino horn poaching and reaches its terrifying climax in an encounter with an enraged Hippopotamus in the Limpopo riverbed

Situational Prevention of Poaching Andrew Lemieux,2014-03-05 For centuries criminologists have looked for scientific ways to study understand and ultimately prevent crime In this volume a unique offense poaching is explored in various contexts to determine what opportunity structures favor this crime and how situational crime prevention may reduce its prevalence The data sources used range from publically available secondary data about animal populations to interviews with hunters to actual law enforcement data collected inside protected areas Various methods are utilized to look for patterns in poaching behaviour regarding where poachers strike which species they target and their modus operandi Collectively the volume shows that principles of criminal opportunity theory and situational crime prevention are useful for studying and preventing poaching in a variety of contexts The methods employed by each chapter are easily replicated and meant to stimulate empirical poaching research where data is available While the theoretical grounding of this volume is drawn from criminology it is written for a broad audience of academics practitioners and those interested in wildlife conservation
