If you like this book, write a review on Google Books: [\*Dear Zoe || Love Dad: Our Journey through IVF to the NICU to your 1st Birthday\*](#) by Ryan Richardson, 2012-01-01. I began writing to my unborn child as soon as my wife and I decided to have a child. Never could I have imagined what an amazing journey was set in motion. These intensely personal letters capture my hopes and fears as my wife and I progress through the various stages of IVF, our daughter's stay in the NICU, and our first year as a family. From giving my wife daily shots to staring at the various screens monitoring my newborn daughter, the book attempts to capture the emotions of a loving husband and father trying to be the man both his girls need. The book concludes with my honest, unadulterated reflections on having gone through IVF and the NICU. My hope is that my candid sharing may help others gain a greater sense of the emotions involved in having an IVF or NICU baby.
