Barclay,2008-09-30 The night they killed our neighbors we never heard a thing In a quiet suburban neighborhood in a house only one door away a family is brutally murdered for no apparent reason And you think to yourself It could have been us And you start to wonder What if we re next Linwood Barclay critically acclaimed author of No Time for Goodbye brings terror closer than ever before in a thriller where murder strikes in the place we feel safest of all Promise Falls isn t the kind of community where a family is shot to death in their own home But that is exactly what happened to the Langleys one sweltering summer night and no one in this small upstate New York town is more shocked than their next door neighbors Jim

and Ellen Cutter They visited for the occasional barbecue and their son Derek was friends with the Langleys boy Adam but how well did they really know their neighbors That s the question Jim Cutter is asking and the answers he s getting aren t reassuring Albert Langley was a successful well respected criminal lawyer but was he so good at getting criminals off that he was the victim of revenge a debt his innocent family also paid in blood From the town s criminally corrupt mayor to the tragic suicide of a talented student a decade before Promise Falls has more than its share of secrets And Jim Cutter failed artist turned landscaper need look no further than his own home and his wife Ellen s past to know that things aren t always what they seem But not even Jim and Ellen are ready to know that their son was in the Langley house the night the family was murdered Suddenly the Cutters must face the unthinkable that a murderer isn t just stalking too close to home but is inside it already For the Langleys weren t the first to die and they won t be the last Praise for Too Close to Home Linwood Barclay knows how to put ordinary people into extraordinarily dangerous circumstances Readers will zip through it with delight Publishers Weekly An affecting and effective thriller Wall Street Journal Review

North Carolina Court of Appeals Reports North Carolina. Court of Appeals,2010 *The Life of the Automobile* Steven Parissien,2014-05-13 The Life of the Automobile is the first comprehensive world history of the car The automobile has arguably shaped the modern era more profoundly than any other human invention and author Steven Parissien examines the impact development and significance of the automobile over its turbulent and colorful 130 year history Readers learn the grand and turbulent history of the motor car from its earliest appearance in the 1880s as little more than a powered quadricycle and the innovations of the early pioneer carmakers The author examines the advances of the interwar era the Golden Age of the 1950s and the iconic years of the 1960s to the decades of doubt and uncertainty following the oil crisis of

1973 the global mergers of the 1990s the bailouts of the early twenty first century and the emergence of the electric car This is not just a story of horsepower and performance but a tale of extraordinary people of intuitive carmakers such as Karl Benz Sir Henry Royce Giovanni Agnelli Fiat Andr Citro n and Louis Renault of exceptionally gifted designers such as the eccentric Ohio born Chris Bangle BMW and of visionary industrialists such as Henry Ford Ferdinand Porsche the Volkswagen Beetle and Gene Bordinat the Ford Mustang among numerous other game changers Above all this comprehensive history demonstrates how the epic story of the car mirrors the history of the modern era from the brave hopes and soaring ambitions of the early twentieth century to the cynicism and ecological concerns of a century later Bringing to life the flamboyant entrepreneurs shrewd businessmen and gifted engineers that worked behind the scenes to bring us horsepower and performance The Life of the Automobile is a globe spanning account of the auto industry that is sure to rev the engines of entrepreneurs and gearheads alike Autocar & Motor ,1994 *Consumer Reports Buying Guide* Consumer Reports,2007-11 This is the 2008 edition to get help with trusted product reviews and comparisons
