Foundation Stage document Are you looking for practical tips and strategies on how to implement EYFS in your setting Yes Then this is the essential guide for you Relating the themes from the EYFS document to everyday practice can be a daunting prospect for the busy practitioner This timely resource offers friendly advice and suggestions on how you can apply the document s strategies to your own setting Through practical activities and case studies the authors provide you with straight forward guidelines for implementing the statutory requirements and developing your practice The book covers the main outline of the document providing a discussion for the themes and rational as well as making links to current research theory and practice Each chapter includes An introduction to the theme Practical suggestions and activities Reflective tasks Case studies of good practice This book is essential reading for anyone involved with the early years sector whether you are a student practitioner childminder or parent

Catching them at it! Sally Featherstone, 2013-09-26 Practitioners working within the EYFS are still uncertain of exactly how to manage assessment This book will take them through the process step by step It explains the terminology involved shows practitioners how to turn observation into assessment and in the final chapter sets out how to manage and interpret all the information they have gathered This book is an essential part of all early years bookshelves as the government expects 80% of the judgements on progress towards the Early Learning Goals to be based on observations of children in child initiated play environments

EBOOK: Becoming an Early Years Teacher: From Birth to Five Years Jessica Johnson, 2014-06-16 This book provides a handy compendium to support you as you train to become an Early Years Teacher The eight Teachers Standards Early Years underpin the core structure of the book and there is strong linking throughout to the statutory and non statutory framework and guidance for the Early Years Foundation Stage Offering comprehensive coverage of theories of early learning and child development this book Brings together relevant knowledge and skills in a way that challenges you to think critically about key theories of early learning and development in your role as an Early Years Teacher Reflects on the nature of professionalism and offers activities to help you identify your own learning journey and develop your own professional identity Underpins practice with a focus and recognition of the need to identify and develop key communication skills that build positive professional relationships in the best interests of babies and children Includes practical examples and case studies to support reflection and inspire you to creative positive learning opportunities for babies and young children Importantly the book concludes with valuable guidance on gathering assessment evidence of your personal practice as well as demonstrating the ability to lead and support early years provision from birth to five years This is an essential book to support all trainees in developing their role and skills as an Early Years Teacher

Contributors Kelly Cooper Fiona Dearman Jo Elsey Jessica Johnson Daryl Maisey Angela Maxey Joanne McKibbin Yasmin Mukadam Vicky Mummery Gemma Pawson Denise Salter Laltiha Sivalingam Helen Sutherland Authoritative scholarly and grounded in practice this is surely destined to become the must have practical handbook for all those seeking Early Years Teacher status Geoff Taggart Lecturer in Early Years University of Reading UK Becoming an Early Years Teacher will prove

valuable to all those working in the early years sector and is an accessible and user friendly resource that promotes increased professional responsibility Theoretical underpinning and the use of case studies activities and links to observed practice provide thought provoking material which recognises the importance of partnership working with families and wider community organisations Emphasis is placed on the importance of reflection to question values and beliefs and to continually evaluate and challenge practice This book aims to support inspirational practice that will enhance positive learning opportunities for all early years children Soraya Goni HE Award Leader Childhood Studies Kirklees College UK I am delighted to recommend this comprehensive challenging and accessible power pack of a book which deserves to become essential reading for all Early Years Teachers in training and equally for those engaged in studying on Early Childhood Studies degrees The team of contributors bring a wealth of both professional and academic knowledge and experience to their chapters and overall the book promotes critical thinking and reflexive practice Whilst explicitly addressing the standards for Early Years Teacher Status the book avoids taking an instrumentalist approach and explores a range of perspectives and tensions related to professionalism within the early childhood world Penny Holland Early Childhood Consultant This book provides essential well articulated thought provoking guidance for students working towards Early Years Teacher Status Throughout the chapters for each of the eight standards there are strong themes encouraging reflection reflective practice leadership and a commitment that in depth knowledge of theory is closely linked to practice Scenarios are presented to encourage extension of thought and knowledge whilst ensuring adherence to the statutory and non statutory framework for the Early Years Foundation Stage This approach helps to ensure that the students work towards leading continuous improvement in practice so that the babies and young children experience their learning and development through play and individual care needs This is a very good book that I would recommend to all Early Years Teacher Status students Tricia Johnson Retired Lecturer in Early Years UK

The Early Years Reflective Practice Handbook
Avril Brock, 2014-07-17

What do early childhood practitioners need to know about reflection and reflective practice Ongoing reforms in early childhood care and education social policy affect all aspects of young children s and their families lives Decisions are being undertaken at a rapid pace and there is a need for those working in the field of Early Years to consolidate and reflect on their knowledge and practice building on what they already know This timely new book aims to support reflective practice for those working with young children in everyday work and in the wider political context whatever their professional role and whatever level of qualification they hold It takes a fresh look at a breadth of issues relating to early childhood care and education reflecting on policy knowledge and practice Incorporating practical reflection activities case studies exemplar scenarios and questions in each chapter the book considers policy developments and how these have affected young children and their families issues around socio culturalism language ethnicity disposition gender inclusion and socio economics when working with families learning through play and the notions of quality observation and assessment
