Performance And Cultural Politics:

Performance and Cultural Politics Elin Diamond, 1996 A major contribution to the developing field of the study of cultural performance a very impressive collection of essays from a number of the leading scholars in the field Marvin Carlson City University of New York

Performance and Cultural Politics Elin Diamond, 2015-04-15 Performance and Cultural Politics is a groundbreaking collection of essays which explore the historical and cultural territories of performance written by the foremost scholars in the field The essays exploring performance art theatre music and dance range from Oscar Wilde to Eric Clapton from the Rose Theatre to U S Holocaust museums The topic includes Sex Play Stereotype Pose and Dildo Grave Performances The Cultural Politics of Memory Genealogies Critical Performances Identity Politics Passing Carnival and the Law In the concluding section Performer s Performance performance artist Robbie McCauley offers the practitioner s perspective on performance studies Interdisciplinary thought provoking and rich in new ideas Performance and Cultural Politics is a landmark in the emerging field of performance studies

The Cultural Politics of One-to-One Performance Rachel Zerihan, 2022-09-24 This monograph is the first study to critically examine works of performance made for an audience of one Despite being a prolific feature of the performance scene since the turn of the millennium critical writing about this area of contemporary practice remains scarce This book proposes a genealogy of the curious relationship between solo performer and lone spectator through lineages in the histories of live art visual art and theatre practices Drawing on one to one performances by artists including Marilyn Arsem Oreet Ashery Franko B Rosana Cade Jess Dobkin Karen Finley David Hoyle Adrian Howells Kira O Reilly Barbara T Smith and Julie Tolentino Rachel Zerihan produces research that is both affective and critical This performance analysis proposes four frameworks through which to examine the significance and challenge of this work cathartic social explicit and economic One to one performance is proposed as a rich portal for examining the cultural politics of contemporary society The book will appeal to students and scholars from performance studies theatre visual art and cultural studies

Presence and Resistance Philip Auslander, 1994 Examines performance art in the 1980s and new modes of political art in a media saturated culture

Black Movements Soyica Diggs Colbert, 2017-04-28 Black Movements analyzes how artists and activists of recent decades reference earlier freedom movements in order to imagine and produce a more expansive and inclusive democracy The post Jim Crow post apartheid postcolonial era has ushered in a purportedly color blind society and along with it an assault on race based forms of knowledge production and coalition formation Soyica Diggs Colbert argues that in the late twentieth century race went underground and by the twenty first century race no longer functioned as an explicit marker of second class citizenship The subterranean nature of race manifests itself in discussions of the Trayvon Martin shooting that focus on his hoodie an object of clothing that anyone can choose to wear rather than focusing on structural racism in discussions of the epidemic proportions of incarcerated black and brown people that highlight the individual s poor decision making rather than the

criminalization of blackness in evaluations of black independence struggles in the Caribbean and Africa that allege these movements have accomplished little more than creating a black ruling class that mirrors the politics of its former white counterpart Black Movements intervenes in these discussions by highlighting the ways in which artists draw from the past to create coherence about blackness in present and future worlds Through an exploration of the way that black movements create circuits connecting people across space and time Black Movements offers important interventions into performance literary diaspora and African American studies

The Cultural Politics of Slam Poetry Susan Somers-Willett, 2009-05-07 How do slam poets and their audiences reflect the politics of difference Mikhail Larionov and the Cultural Politics of Late Imperial Russia Sarah Warren, 2013 Outgrowth of the author's thesis doctoral University of Southern California

Theater and Cultural Politics for a New World Chinua Thelwell, 2016-10-14 Theater and Cultural Politics for a New World presents a radical re-examination of the ways in which demographic shifts will impact theater and performance culture in the twenty-first century Editor Chinua Thelwell brings together the revealing insights of artists scholars and organizers to produce a unique intersectional conversation about the transformative potential of theater Opening with a case study of the New WORLD Theater and moving on to a fascinating range of essays the book looks at five main themes Changing demographics Future aesthetics Making institutional space Critical multiculturalism Polyculturalism

The Cultural Politics of Food, Taste, and Identity Steffan Igor Ayora-Diaz, 2021-04-08 The Cultural Politics of Food Taste and Identity examines the social cultural and political processes that shape the experience of taste The book positions flavor as involving all the senses and describes the multiple ways in which taste becomes tied to local translocal global and cosmopolitan politics of identity Global case studies are included from Japan China India Belize Chile Guatemala the United States France Italy Poland and Spain Chapters examine local responses to industrialized food and the heritage industry and look at how professional culinary practice has become foundational for local identities The book also discusses the unfolding construction of local taste in the context of sociocultural developments and addresses how cultural political divides are created between meat consumption and vegetarianism innovation and tradition heritage and social class popular food and authenticity and street and restaurant food In addition contributors discuss how different food products such as kimchi quinoa and Soylent have entered the international market of industrial and heritage foods connecting different places and shaping taste and political identities

The Cultural Politics of Performance Maria Sofia Talamantes, 2004 *Advertising and Cultural Politics in Global Times* Pamela Odih, 2016-03-03 Advertising and Cultural Politics in Global Times traces daringly transgressive convergences between cultural politics and global advertising media It engages with a range of interpolations between cultural politics and advertising technologies including the governmental rationality of neoliberal vistas transgressive aesthetics and the cultural politics of representation the political sign economy of citizen branding techno political convergences between the social and political and the marking of a new exciting geo political terrain for cultural politics in global times Tracing global advertising

practices to the cultural politics commonly manifested in the postmodern political caesura of advertising this book makes use of extensive case studies whilst drawing on the work of Baudrillard Giroux Foucault Castells and Latour to illustrate the manner in which advertising continues to revolutionize the political sphere As such it will be of interest to a range of readers across media studies cultural studies and sociology

Theater and Cultural Politics for a New World Chinua

Thelwell,2016-10-14 Theater and Cultural Politics for a New World presents a radical re examination of the ways in which demographic shifts will impact theater and performance culture in the twenty first century Editor Chinua Thelwell brings together the revealing insights of artists scholars and organizers to produce a unique intersectional conversation about the transformative potential of theater Opening with a case study of the New WORLD Theater and moving on to a fascinating range of essays the book looks at five main themes Changing demographics Future aesthetics Making institutional space Critical multiculturalism Polyculturalism

The Cultural Politics of Jazz Collectives Nicholas Gebhardt,Tony

Whyton,2015-03-05 The Cultural Politics of Jazz Collectives This Is Our Music documents the emergence of collective movements in jazz and improvised music Jazz history is most often portrayed as a site for individual expression and revolves around the celebration of iconic figures while the networks and collaborations that enable the music to maintain and sustain its cultural status are surprisingly under investigated This collection explores the history of musician led collectives and the ways in which they offer a powerful counter model for rethinking jazz practices in the post war period It includes studies of groups including the New York Musicians Organization Sweden s Ett minne f r livet Wonderbrass from South Wales the contemporary Dutch jazz hip hop scene and Austria s JazzWerkstatt With an international list of contributors and examples from Europe and the United States these twelve essays and case studies examine issues of shared aesthetic vision socioeconomic and political factors local education and cultural values among improvising musicians

Culture and

Cultural Politics Under Reza Shah Bianca Devos,Christoph Werner,2013-08-22 Culture and Cultural Politics Under Reza Shah presents a collection of innovative research on the interaction of culture and politics accompanying the vigorous modernization programme of the first Pahlavi ruler Examining a broad spectrum of this multifaceted interaction it makes an important contribution to the cultural history of the 1920s and 1930s in Iran when under the rule of Reza Shah Pahlavi dramatic changes took place inside Iranian society With special reference to the practical implementation of specific reform endeavours the various contributions critically analyze different facets of the relationship between cultural politics individual reformers and the everyday life of modernist Iranians Interpreting culture in its broadest sense this book brings together contributions from different disciplines such as literary history social history ethnomusicology art history and Middle Eastern politics In this way it combines for the first time the cultural history of Iran s modernity with the politics of the Reza Shah period Challenging a limited understanding of authoritarian rule under Reza Shah this book is a useful contribution to existing literature for students and scholars of Middle Eastern History Iranian History and Iranian Culture

RuPaul's Drag

Race and the Cultural Politics of Fame John Mercer, Charlie Sarson, Jamie Hakim, 2023-10-10 This book explores the connections between drag stardom and contemporary sexual and cultural politics in the RuPaul's Drag Race franchise. With Drag Race alumni achieving fame in fields such as music, fashion, theatre, and beyond, this edited collection interrogates the relationships between gender, sexuality, performance, identity, and celebrity culture that lie at the very heart of the show. RuPaul's Drag Race has recently completed its 15th season after having won 26 Emmys. The show is a popular culture phenomenon broadcasting drag into the homes of middle America, spawning spin-off shows and an ever-expanding international franchise. Its success has made global stars of its host, guest judges, and contestants alike. This edited collection explores the connections between drag stardom and contemporary sexual and cultural politics that RuPaul's Drag Race stages and dramatizes. Alumni of Drag Race have gone on to become globally famous. Adore Delano and Sharon Needles have launched music careers. Violet Chachki is the first drag model to become the face of Bettie Page Lingerie, whilst Jinkx Monsoon has achieved success as a Broadway star. In 2017, RuPaul was named as one of Time Magazine's 100 Most Influential People. Above everything else, RuPaul's Drag Race is a show about celebrating the glamour, artifice, and the labour of fame. Whilst Drag Race has already attracted scholarly attention, Brennan Gudelunas (eds) 2017, the relationships between gender, sexuality, performance, identity, and celebrity culture that lie at the heart of its dynamic and appeal remain to be explored. RuPaul's Drag Race and the Cultural Politics of Fame will be a key resource for academics, researchers, and advanced students of Media and Cultural Studies, Gender Studies, Performing Arts, Media and Film Studies, Communication Studies, and Sociology. The chapters included in this book were originally published as a special issue of *Celebrity Studies*.

The Hunger for More: The Cultural Politics of Eating in Modern China Pasquale De Marco, 2025-07-11 Food is central to the human experience. It sustains us, it nourishes us, and it brings us together. But food is also more than just sustenance. It is a cultural phenomenon, a way of expressing ourselves, and a source of great pleasure. In China, food has a particularly rich and complex history. The country's vast geography and diverse population have given rise to a wide range of culinary traditions. Chinese cuisine is renowned for its use of fresh ingredients, its bold flavors, and its emphasis on balance and harmony. But food in China is not just about taste. It is also about culture, society, and politics. The way we eat, the foods we choose, and the meanings we attach to them all reflect our values, our beliefs, and our way of life. This book explores the cultural politics of eating in modern China. It examines the role of food in Chinese society, from the rituals of communal dining to the use of food as a tool of political propaganda. It also explores the impact of globalization on Chinese cuisine and the challenges of ensuring food security in a rapidly changing world. This book is essential reading for anyone who wants to understand the complex and fascinating relationship between food and culture in China. It is a valuable resource for scholars, students, and anyone with an interest in Chinese food, culture, or society. Food is not just something we eat. It is a way of life. If you like this book, write a review.

Contemporary British Fiction and the Cultural Politics of Disenfranchisement A.

Beaumont,2015-12-05 By examining the representation of urban space in contemporary British fiction this book argues that key to the political left's strategy was a model of action which folded politics into culture and elevated disenfranchisement to the status of a political principle **Black Expressive Art, Resistant Cultural Politics, and the (re)performance of Patriotism** Deborah Elizabeth Whaley,2003 *The Cultural Politics of Obeah* Diana Paton,2015-08-10 An innovative history of the politics and practice of the Caribbean spiritual healing techniques known as obeah and their place in everyday life in the region Spanning two centuries the book results from extensive research on the development and implementation of anti obeah legislation It includes analysis of hundreds of prosecutions for obeah and an account of the complex and multiple political meanings of obeah in Caribbean societies Diana Paton moves beyond attempts to define and describe what obeah was instead showing the political imperatives that often drove interpretations and discussions of it She shows that representations of obeah were entangled with key moments in Caribbean history from eighteenth century slave rebellions to the formation of new nations after independence Obeah was at the same time a crucial symbol of the Caribbean's alleged lack of modernity a site of fear and anxiety and a thoroughly modern and transnational practice of healing itself Theatre's Heterotopias J. Tompkins,2014-11-04 Theatre's Heterotopias analyses performance space using the concept of heterotopia a location that when apparent in performance refers to the actual world thus activating performance in its culture Case studies cover site specific and multimedia performance and selected productions from the National Theatre of Scotland and the Globe Theatre
