Performance Auditing of Public Sector Property Contracts Lori Keating, 2016-05-13 PPP PFI contracts often share a number of features they run over a very long period of time they are conceived without a complete understanding of how requirements may change and despite the rhetoric they tend to create a context where dispute and litigation rather than partnership are the norm In this environment effective auditing is essential to ensure that projects are delivering what the end user requires Audits are both a public sector right and a matter of good management sense Performance Auditing of Public Sector Property Contracts is a practical guide to performance auditing for public sector property managers with a series of guidelines for auditors of public sector property contracts The book concentrates on Facilities Management contracts Lori Keating explains the basis for the process how to retain balance independence and rigour and how to audit intangible performance measures and other tricky areas The book follows an audit process from commencement to conclusion and contains a discussion of factors that contribute to the success of any audit It is essential reading for public sector auditors PPP project managers and contractors **Research Handbook on the Ombudsman** Marc

Hertogh, Richard Kirkham, 2018-11-30 The public sector ombudsman has become one of the most important administrative justice institutions in many countries around the world This international and interdisciplinary Research Handbook brings together leading scholars and practitioners to discuss the state of the art of ombudsman research It uses new empirical studies and competing theoretical explanations to critically examine important aspects of the ombudsman s work This comprehensive Handbook is of value to academics designing future ombudsman studies and practitioners and policymakers in understanding the future challenges of the ombudsman OECD Public Governance Reviews Auditing Decentralised Policies in Brazil Collaborative and Evidence-Based Approaches for Better Outcomes OECD, 2020-11-26 Public policies and services such as education health welfare infrastructure and sanitation are increasingly developed and provided via different

levels of government national regional and local creating co ordination and governance challenges This report describes how Brazil s 33 courts of accounts can use their oversight function including audits to help make such decentralised policies more effective and coherent Project Performance Review Alexia Nalewaik,Anthony Mills,2016-07-07 Project Performance

Review focuses on evaluating projects efficiently and in context identifying important improvement opportunities and leading project and organizational management practices It advises how these can be put in place to give stakeholders confidence in the control and delivery of their projects without waste The authors explain not just the mechanism and objective of project performance reviews but also the ideal environment in which they are intended to be implemented The shaping of this environment by the stakeholders and technical team is key to achieving your intended outcomes Without the professional cooperation of all interested and informed parties the effectiveness of any review may be compromised Topics addressed include introducing the project review method engaging project stakeholders ensuring project governance conducting project risk assessments improving accountability providing project assurance organizing and managing projects optimizing review scope and approach avoiding review pitfalls meeting existing audit standards and proposing alternate approaches to project evaluation **Financial Accountability in the European Union** Paul Stephenson,María-Luisa

Sánchez-Barrueco,Hartmut Aden,2020-11-19 This book offers comprehensive coverage of various aspects of financial accountability around the EU budget how it is spent via policies how institutions engage in checking policy performance what taxpayers money actually delivers and therein the issues of monitoring controlling auditing scrutinising and communicating budgetary expenditure Presenting conceptual and theoretical approaches including financial accountability learning multi level governance implementation and throughput legitimacy it looks at EU institutions European Parliament European Court of Auditors European Ombudsman European Public Prosecutor s Office and national bodies supreme audit institutions at the national level examining their contact with the EU budget It details the historical development of accountability mechanisms the statement of assurance financial corrections and parliamentary oversight by the Budgetary Control Committee CONT and examines policy areas such as those of agriculture social policy and cohesion including Structural Funds and the Common Agricultural Policy exploring the challenges of financial accountability in practice Given the recent introduction of non budgetary financial instruments and tools only partly financed by the EU budget it sheds light on new burgeoning areas such as the European Stability Mechanism ESM and the European Fund for Strategic Investment EFSI and the challenges they bring for ensuring the accountability of public money This book will be of key interest to scholars and students of audit and evaluation budgetary spending and financial control and more broadly public administration public policy and EU institutions and politics Quality Matters Robert Schwartz,John Mayne,2005-01-01 Contributors are from Australia Canada the European Union France the Netherlands New Zealand Sweden Switzerland United Kingdom United States and the World Bank They examine and analyze practices for assuring the quality of evaluation performance auditing and performance

reporting in the face of political organizational and technical obstacles A final chapter addresses the extent to which quality assurance systems become bothersome rituals or remain meaningful mechanisms to ensure quality control This well defined volume will be of particular interest to policymakers and adds much to the literature on program evaluation and performance auditing

Public Sector Accounting, Financial Accountability and Viability in Times of Crisis Giovanna Dabbicco,Marco Bisogno, Josette Caruana, Johan Christiaens, 2022-09-06 This book examines the implications of the Covid 19 pandemic for public sector accounting and finance It provides a holistic overview of government initiatives to navigate the pandemic focusing on how government policies and related spending have affected the budgetary process the disclosure of information and transparency as well as the importance of accounting technologies and operating systems in times of crisis The book shows how government economic interventions have been crucial in counteracting the financial consequences of the global pandemic and emphasizes the importance of accountability It will appeal to students and scholars of public policy public administration and finance as well as policymakers and public managers responsible for public sector financial and budgetary reporting of public administrations

Specialized Administrative Law of the European Union Herwig C. H. Hofmann, Gerard C. Rowe, Alexander H. Türk, 2018-11-30 This volume deals with the law governing the administrative implementation of European Union public policy Much of this law is specific to individual policy sectors The volume provides a study of such specialized administrative law for more than twenty sectors This cross sectoral approach allows for detailed comparisons of EU administration in diverse policy fields It identifies situations where legal structures and approaches may be unnecessarily duplicated thus indicating where a comprehensive general system could be advantageous for both Union law and policy achievement The comparative nature of the study also draws attention to policy fields which have proven to be testing grounds for approaches adopted subsequently in other areas In addition the work highlights the distinctive highly networked and strongly cooperative character of EU administration as a reflection of and a foundation for the operative nature of the European Union as a whole

Crossover of Audit and Evaluation Practices Maria Barrados, Jeremy Lonsdale, 2020-02-24 *Crossover of Audit and Evaluation Practices* brings together academic analysis with insights from practitioners to discuss the potential for collaboration in audit and evaluation practices between three professional disciplines Clearly written and thoughtfully

organized this volume is structured in three parts to deal with theory practice issues and how the practices have worked together Part One provides definitions of performance audit internal audit and program evaluation Part Two addresses several challenges that professionals face in applying these standards and principles Part Three contains examples of organizational collaboration between the practices how they have worked together and the lessons that were learned from that experience Specific cases from the Government Accountability Office and UNESCO UNDP and Inter Americas Development Bank illustrate what has worked or not and suggest reasons why Crossover of Audit and Evaluation Practices offers even the most skilled and experienced professional insight on how to bridge some of the divides It will help generate a better understanding of the activities and services that are either imposed on them or are freely available and help to stimulate their optimal use

Internal Audit Quality Sally-Anne Pitt, 2014-09-29 Deliver increased value by embedding quality into internal audit activities Internal Audit Quality Developing a Quality Assurance and Improvement Program is a comprehensive and authoritative guide to better practice internal auditing Written by a global expert in audit quality this guide is the first to provide complete coverage of the elements that comprise an effective internal audit quality assurance and improvement program Readers will find practical solutions for monitoring and measuring internal audit performance drawn from The IIA's International Standards for the Professional Practice of Internal Auditing and complemented by advice and case studies from leading audit practitioners from five different continents Major corporate and financial collapses over the past decade have challenged the value of internal audit With an increased focus on internal audit's role in good governance management is increasingly demanding that internal audit provides assurance of the quality of its own activities The IIA standards provide a framework for audit quality in the form of mandatory guidance Recent research indicates that the majority of internal audit functions do not fully comply with the standards and as a result are not servicing the needs of their organizations as well as they might Internal Audit Quality offers a roadmap to internal audit quality providing readers the guidance they need to Embed quality into all elements of internal audit from strategic and operational planning down to day to day tasks Create well defined internal audit programs and procedures Independently self assess internal audit quality and performance Conform with the IIA standards and better practice Provide assurance over internal audit efficiency and effectiveness Deliver value by meeting stakeholder expectations As a key component of good governance internal audit is on the rise The days of retrospective compliance focused auditing is a thing of the past Organizations expect more of internal audit and many internal audit activities are accepting the challenge Rather than relying on audit supervision and external assessments modern auditors are embedding quality into audit activities to create effective programs For the auditor looking to distinguish themselves as leading edge Internal Audit Quality provides the guidance that enables the right work at the right time in the right way

De (performantie-)audit in de publieke sector en de non-profitsector / L'audit (de performance) dans les secteurs public et non marchand

ICCI, 2013-10-07 Performantie audit komt neer op het verrichten van een onderzoek naar het gezond beheer van een structuur Om dit gezond beheer te omschrijven verwijzen niet enkel de definities maar ook de literatuur naar de 3 E's

Zuinigheid Economy Effectiviteit en Efficiëntie Het eerste deel van dit boek definieert een performantie audit beschrijft de fasen ervan en behandelt de verschillen en de overeenkomsten tussen een performantie audit en een financiële audit Vervolgens komt de performantie audit in Zweden een land met een lange traditie van verplichte performantie audits in het lokaal bestuur aan bod Een aantal voorbeelden van performantie audits worden eveneens gepresenteerd en besproken onder de bijna 200 die tot dusver tot stand werden gebracht door het Belgisch Rekenhof Er worden voorbeelden van performantie audits gegeven die vandaag reeds wettelijk worden gevoerd door de bedrijfsrevisor in de publieke sector en de non profitsector en er wordt een praktijkcasus in de private non profitsector uitgewerkt Ook performantie audits binnen de Europese Commissie en de performantieauditwerkzaamheden van de Europese Rekenkamer worden aangesneden In het tweede deel worden de performantie audits en de opdrachten van de bedrijfsrevisor behandeld in het kader van het concept single audit namelijk n enkel auditmodel voor de Vlaamse overheid waarbij elk controleniveau voortbouwt op het voorgaande met als doel de last voor de gecontroleerde te verminderen en de kwaliteit van de audit op te voeren maar zonder de onafhankelijkheid van de betrokken auditororganen te ondergraven Achtereenvolgens wordt het toepassingsgebied van het Vlaams Rekendecreet van 8 juli 2011 het besluit van de Vlaamse Regering van 7 september 2012 betreffende controle en single audit en de verslaggeving van het bedrijfsrevisoraat in het kader van single audit in detail besproken Dit deel van het boek wordt afgesloten met een analyse van de praktische uitvoering van het concept single audit en de mate waarin het Rekendecreet van het bedrijfsrevisoraat een performantie audit verwacht

Research Handbook on EU Administrative Law Carol Harlow, Päivi Leino, Giacinto della Cananea, 2017-02-24 Key chapters written by leading experts across the field engage with important ongoing debates in the field of EU administrative law focusing on areas of topical interest such as financial markets the growing security state and problematic common asylum procedures In doing so they provide a summary of what we know don't know and ought to know about EU administrative law Examining the control functions of administrative law and the machinery for accountability this Research Handbook eloquently challenges areas of authoritarian governance such as the Eurozone and security state where control and accountability are weak and tackles the seemingly insoluble question of citizen voice and access to policy making
