Personal Connections in the Digital Age Nancy K. Baym, 2015-08-04 The internet and the mobile phone have disrupted many of our conventional understandings of ourselves and our relationships raising anxieties and hopes about their effects on our lives In this second edition of her timely and vibrant book Nancy Baym provides frameworks for thinking critically about the roles of digital media in personal relationships Rather than providing exuberant accounts or cautionary tales it offers a data grounded primer on how to make sense of these important changes in relational life Fully updated to reflect new developments in technology and digital scholarship the book identifies the core relational issues these media disturb and shows how our talk about them echoes historical discussions about earlier communication technologies Chapters explore how we use mediated language and nonverbal behavior to develop and maintain communities social networks and new relationships and to maintain existing relationships in our everyday lives The book combines research findings with lively examples to address questions such as Can mediated interaction be warm and personal Are people honest about themselves online Can relationships that start online work Do digital media damage the other relationships in our lives Throughout the book argues that these questions must be answered with firm understandings of media qualities and the social and personal contexts in which they are developed and used This new edition of *Personal Connections in the Digital Age* will be required reading for all students and scholars of media communication studies and sociology as well as all those who want a richer understanding of digital media and everyday life

**Iranian Romance in the Digital Age** Janet Afary, Jesilyn Faust, 2021-01-28 Following the 1979 Islamic Revolution there was a dramatic reversal of women s rights and the state revived many premodern social conventions through modern means and institutions Customs such as the enforced veiling of women easy divorce for men child marriage and polygamy were robustly reintroduced and those who did not conform to societal strictures were severely punished At the same time new social and economic programs benefited the urban and rural poor especially women which had a direct impact on gender relations and the institution of marriage Edited by Janet Afary and Jesilyn Faust this interdisciplinary volume responds to the growing interest and need for literature on gender marriage and family relations in the Islamic context The book examines how the institution of marriage transformed in Iran paying close attention to the country s culture and politics Part One examines changes in urban marriages to new forms of cohabitation In Part Two contributors such as Soraya Tremayne explore the way technology and social media has impacted and altered the institution of family Part Three turns its eye to look at marital changes in the rural and tribal sectors of society through the works of anthropologists including Erika Friedl and Mary Hegland Based on the work of both new and

established scholars the book provides an up to date study of an important and intensely politicized subject New Jazz Conceptions Roger Fagge, Nicolas Pillai, 2017-06-26 New Jazz Conceptions History Theory Practice is an edited collection that captures the cutting edge of British jazz studies in the early twenty first century highlighting the developing methodologies and growing interdisciplinary nature of the field In particular the collection breaks down barriers previously maintained between jazz historians theorists and practitioners with an emphasis on interrogating binaries of national local and professional amateur Each of these essays questions popular narratives of jazz casting fresh light on the cultural processes and economic circumstances which create the music Subjects covered include Duke Ellington s relationship with the BBC the impact of social media on jazz a new view of the ban on visiting jazz musicians in interwar Britain a study of Dave Brubeck as a transitional figure in the pages of Melody Maker and BBC2 s Jazz 625 the issue of liveness in Columbia s Ellington at Newport album a musician and promoter s views of the relationship with audiences a reflection on Philip Larkin Kingsley Amis and Eric Hobsbawm as jazz critics a musician s perspective on the oral and generational tradition of jazz in a British context and a meditation on Alan Lomax s Mr Jelly Roll and what it tells us about cultural memory and historical narratives of jazz Smartphone Addiction, Phone Snubbing, and Effects on Interpersonal Relationships and Mental Health Chandan, Harish Chandra, 2025-04-09 In today s digitally connected world smartphone addiction has become a pervasive issue impacting interpersonal relationships and mental health As people become dependent on their devices the constant stream of notifications and social media interactions often leads to phone snubbing an act where individuals prioritize their phones over face to face communication with those around them This behavior diminishes the quality of relationships while contributing to feelings of isolation anxiety and depression The constant need for digital validation and the fear of missing out FOMO have created a cycle of dependence that interferes with meaningful human connections and personal well being As smartphone use continues to dominate daily life understanding the psychological effects of these behaviors and finding ways to balance digital communication with authentic in person interactions is crucial Smartphone Addiction Phone Snubbing and Effects on Interpersonal Relationships and Mental Health explores the psychosocial factors that lead to problematic use of technology It examines the potential risk factors for pathological smartphone use connections between social media addiction FOMO personality traits and phubbing behaviors and effects on interpersonal relationships and mental health This book covers topics such as digital communication phone addiction and social media and is a useful resource for computer engineers sociologists psychologists data scientists academicians and researchers **The Cambridge Handbook of Personal Relationships** Anita L.
