This description lacks detail. Employers can't read minds! Give them relevant details.

Interests sections are of little interest to most employers, especially when relevant experiences haven't been described fully.

Along with content, watch out for **formatting issues**. This resume has several inconsistencies: only the "Education" heading has a colon—delete it. There are return spaces underneath "Work Experience" and "Activities," but not under "Education," "Skills" or "Interests." Pick one style and be consistent. This will show that you are detail oriented.
