Exploring Omnichannel Retailing Wojciech Piotrowicz,Richard Cuthbertson,2018-12-05 This book compiles the current state of knowledge on omnichannel retailing a new concept in which all sales and interaction channels are

considered together and which aims to deliver a seamless customer experience regardless of the channel. It highlights case studies and examples related to each of the many barriers to an omnichannel approach, demonstrating not just success stories but also failures. While omnichannel has already been recognized as an emerging retail trend, the articles in this book fill an important gap in research on the topic. Providing readers with essential insights on the omnichannel strategy and its implementation, the book will also stimulate academic discussion on this emerging trend.

Shopping Tourism, Retailing and Leisure Dallen J. Timothy, 2005-03-14. Shopping Tourism, Retailing and Leisure provides a comprehensive examination of the relationships between tourism, leisure, shopping, and retailing. Critical issues are examined within the framework of the dichotomous relationship between utilitarian and hedonic forms of shopping, shopping as a primary and secondary attraction in tourist destinations, the development of various tourist retail venues, the role of souvenirs in tourism and management issues, e.g., merchandising, venue design, and customer service.
