Return To Bluebell Hill:

Return To Bluebell Hill Rebecca Pugh, 2015-06-18 As sweet and satisfying as strawberries and cream Recapture the British summertime with Rebecca Pugh's sparkling debut novel *Return to Bluebell Hill* is one of the best novels in this genre I've read in quite some time BrizzleLass Home is where the heart is *The Ghosts of Blue Bell Hill & other Road Ghosts* Sean Tudor, 2017 A case centred study of Phantom Hitch Hikers Phantom Jaywalkers in Folklore and Fact Tales of Phantom Hitch Hikers are found the world over But is there anything more to them than the staple of contemporary folklore they appear to be Cases like Blue Bell Hill suggest there is Here and in numerous other modern cases witnesses report vivid and terrifying encounters with solid looking figures that step into the paths of their vehicles These events show an affinity with the legendary Phantom Hitch Hiker suggesting that far from being mere vestiges of a superstitious folk tradition they may reflect a genuine but complex phenomenon that continues to manifest in modern times and settings and challenges our very notions of reality This book traces Blue Bell Hill's ghost from its roots in folklore to compelling fact with nearly 50 witness accounts attesting to it as an important modern example of haunting on record and arguably the foremost case of its kind in the world today **Right Here Waiting for You** Rebecca Pugh, 2017-05-31 Perfect read for a lazy day in the sunshine bestselling author Christie Barlow It is hilariously good Jess Bell The perfect read for a lazy afternoon Shaun We used to be best friends *Boys' Life*, 1970-10 Boys Life is the official youth magazine for the Boy Scouts of America Published since 1911 it contains a proven mix of news nature sports history fiction science comics and Scouting **The Little Book of Ghosts** Paul Adams, 2014-09-01 Compiled by paranormal historian Paul Adams this spine chilling book features intriguing obscure and strange trivia about all things that go bump in the night Here you will find haunted houses and castles parks and woods highways and byways phantom animals royal ghosts angry poltergeists and haunted objects Also included are spooky sightings and time slip ghosts as well as some of the famous ghost hunters themselves including Harry Price Elliott O'Donnell and R Thurston Hopkins Anyone curious enough to pick up this book will be terrified and enthralled and never short of some frivolous fact to enhance a conversation or quiz **The Complete Stonewylde** Kit Berry, 2013-09-12 The complete STONEWYLDE saga collected together for the first time Here are all five STONEWYLDE novels This cult series is a magical tale of love anger and loss but also finally of triumph against all adversity Stonewylde is an alternative community hidden away in the heart of Dorset and ruled by the charismatic Magus It's a place of standing stones and earth energy a place where the old ways are remembered Within a great stone circle the eight pagan festivals are celebrated and ancient rites performed The thirteen full moons are honoured and the people live natural and uncomplicated lives as their ancestors have done for hundreds of years But all is not quite as it seems There's another side to Stonewylde a darker side where cruelty is rife Sylvie and her mother are invited into the community victims of modern life Suffering from the stresses of inner city life they believe that by entering the enclosed world of Stonewylde their troubles will be over Magus promises them fulfilment

that they will lack for nothing He promises to heal them and care for them calling on the green magic that pervades everything at Stonewylde But one boy alone Yul understands the true reason for their invitation and what malevolence their arrival has triggered As the series unfolds the struggle between Yul and his master becomes more brutal and the stakes are raised Sylvie is in terrible danger as an old prophecy is revealed and the pieces of the puzzle start to slide into place Sylvie and Yul must battle not only to save themselves but the very heart of Stonewylde

Roman Britain's Missing Legion Simon Elliott,2021-03-15 Examines all the possible fates of the famous IX legion takes you on a fascinating detective journey through all the corners of the Roman Empire History The Interesting Bits Legio IX Hispana had a long and active history later founding York from where it guarded the northern frontiers in Britain But the last evidence for its existence in Britain comes from AD 108 The mystery of their disappearance has inspired debate and imagination for decades The most popular theory immortalized in Rosemary Sutcliffe s novel The Eagle of the Ninth is that the legion was sent to fight the Caledonians in Scotland and wiped out there But more recent archaeology including evidence that London was burnt to the ground and dozens of decapitated heads suggests a crisis not on the border but in the heart of

the province previously thought to have been peaceful at this time What if IX Hispana took part in a rebellion leading to their punishment disbandment and damnatio memoriae official erasure from the records This proposed Hadrianic War would then be the real context for Hadrian's visit in 122 with a whole legion VI Victrix which replaced the vanished IX as the garrison at York Other theories are that it was lost on the Rhine or Danube or in the East Simon Elliott considers the evidence for these four theories and other possibilities A great and fascinating read a page turner The book offers some interesting and intriguing ideas around the fate of the Ninth Irregular Magazine An historical detective story pursued with academic rigour Clash of Steel A seminal and landmark study Midwest Book Review *Quarries: List of Quarries (under the Quarries Act, 1894) in the United Kingdom of Great Britain and Ireland, and the Isle of Man, 1903* *Primitive Methodist World and Sunday School Worker, 1897* **A Few Memories of Little Moment** Edward Slee, 2005 Edward Slee was born in 1909 in Lymm Cheshire In 2003 at the age of 94 he decided to put together a memoir This book may best be described as a collection of episodes over a long life each of which by reason of its impact at the time has stayed in the author's memory interspersed by what he has called his homespun philosophical musings It offers a fascinating insight into a bygone age **Blue Moon Investigations: Case Files 1-3** Steve Higgs, 2019-10-25 If you liked Nate Temple by Shanye Silvers Montague Strong by Orlando Sanchez PPD by John P Logsdon anything by KF Breene or the Tome of Bill series then this is what you need to read next Pulse pounding action paranormal detectives and laugh out loud embarrass yourself in public humor what's not to like Delve into a world where supernatural crimes are investigated by two detectives standing alone to protect those that call on them In the brooding dark landscape of England with its rolling hills and forgotten castles the dark breeds evil in every shadow Or stupid some of them definitely just contain stupid With millions of pages read and thousands of books sold the Blue Moon paranormal investigation series will grip you from the start and rob you of sleep as you continue turning pages until well after your bedtime It is action packed but funny fast paced yet intriguing and there are 13 stories already published Get the first 3 excitement filled stories in this omnibus edition and save a pile against buying them individually Paranormal Nonsense Falsely advertised as a paranormal investigator Tempest Michaels has a serial killing vampire to track down and a poltergeist to catch and all because his client is just too gorgeous to turn down He'll need to keep his mind on the job though as his investigation soon attracts unwanted attention from the police and a local gang of vampire worshippers They won't be the biggest problem though as his friends his mum and his dogs are going to help The Phantom of Barker Mill A hundred year old mystery proves irresistible for England's only paranormal P I It looks like the perfect case but someone or perhaps everyone is lying to him and as he closes in on the truth he is led into a race against time that may cost him more than he is willing to pay Oh and his mum wants him to organise a baby shower Amanda Harper Paranormal Detective When hysterical customers claim their shopping has been stolen by a ghost the shopping mall manager calls the only paranormal investigation agency in the book Meet Amanda Harper Paranormal P I But it's Amanda's first day and nothing in life has

prepared her for the bedlam that will follow What is the truth behind the mysterious missing shopping bags Does she have any idea what she is doing And why oh why did she invite sassy BFF Patience Woods to help out
