Revelation As Testimony

Revelation As Testimony:

Revelation as Testimony Mats Wahlberg, 2014-11-08 According to the pre modern Christian tradition knowledge of God is mainly testimonial we know certain important truths about God and divine things because God himself has told them to us In academic theology of late this view is often summarily dismissed But to do so is a mistake claims Mats Wahlberg who argues that the testimonial understanding of revelation is indispensable to Christian theology Criticizing the currently common idea that revelation should be construed exclusively in terms of God's self manifestation in history or through inner experience Wahlberg discusses the concept of divine testimony in the context of the debate about how any knowledge of God is possible He draws on resources from contemporary analytic philosophy especially John McDowell and Nicholas Wolterstorff to argue for the intellectual viability of revelation as divine testimony

The Testimony of the Exalted Jesus Sarah Underwood Dixon, 2017-05-18 The interpretation of the phrase the testimony of Jesus in the Book of Revelation has been the centre of much debate with no clear consensus regarding its meaning One of the most important but often neglected issues is whether or not the phrase can be read consistently across each instance of its occurrence The opening lines of the Apocalypse clearly specify that the testimony of Jesus is a moniker for the book of Revelation itself indicating that the phrase is an internal self reference to the book's own message Nevertheless most interpreters are reluctant to apply this interpretation to the phrase in other parts of the book leading to varied and inconsistent interpretations of the phrase Following the intratextual pattern of the apocalyptic books of Daniel and 1 Enoch we can see that it is entirely possible that the testimony of Jesus is a reference to Revelation's own message an interpretation which is then supported by Dixon's in depth study of each of the passages in which the phrase occurs The exploration of the rhetorical impact of interpreting the phrase in this way shows that the testimony of Jesus is not just another title for John's writing but is something that is given to and even characterizes those who hear the message of the Apocalypse

A Testimony of Jesus Christ - Volume 1 Anthony Charles Garland, 2007 A Commentary on the Book of Revelation Volume 2 The author presents a detailed study of the Book of Revelation emphasizing prophetic themes from the rest of the Bible which find their fulfillment in Revelation To understand this controversial book the author explores the many connections between the visions seen by the Apostle John and previous prophetic revelation given to Old Testament prophets such as Daniel Ezekiel and others It is the author's conviction that an understanding of related passages elsewhere in the Bible is the most important key to unlocking the bewildering variety of interpretations which often accompany the study of the last book of the Bible The commentary is linked to a free companion internet course providing an additional 70 hours of audio instruction linked to almost 1 000 slides

Brookes,2003-06 God Self and Community Revelation Testimony and Practice by Bernard L Brookes Ph D Psychologist Dr Brookes focuses on the triadic relationship with God the source of meaning and transcendence and with others who form ones community as fundamental to the development of a healthy personality He explores this theme through powerful autobiographical stories such as The Rock the Rain and the Baptism in the Sea and through thought provoking essays including Love the Foundation of Community and Power Violence and Nonviolence **Never Lose Your Testimony** Tieca Harris,2017-05-04 This book was conceived out of a passion for mentorship and volunteerism and is a by product of my desire to recommit my life to the Lord I have come to appreciate the value of receiving guidance spiritual personal professional and financial from those who have the requisite knowledge insight and experience to help me at lifes critical junctures Encapsulated in its contents is a two fold theme On one hand it is meant to add insight to the process of identifying with the image and attributes of a godly life while on the other hand it is meant to inspire by sharing the testimony of others and myself as we dare to dream and live out our unique purpose The book encourages the reader to look at life through Gods eyes His words The subliminal theme evoked is one that mirrors that of Psalms 25 where the Psalmist David identifies with God and calls upon Him Let me not be ashamed From Knowledge to Revelation Cynthia Kay Elias,2009-10-07 From Knowledge to Revelation offers a truly transparent memoir of overcoming circumstances not by education or knowledge but by revelation Cynthia Elias lost her dreams her home her business and her reputation to gain revelation and a higher calling from God At its very best knowledge is merely hindsight however no matter how great the knowledge there is always the unforeseen Therefore having pure knowledge does not insure success Success can only be received by revelation Had Cynthia known all the pitfalls she would have done things differently However with revelation God took the mistakes and worked these out for her good and placed her in a higher plane of living through Jesus Christ Her testimony demonstrates the power of God that you can acquire in your own life Your destiny will be very different but just as transforming as you give your will to God and allow yourself to be guided and remain in his blood covenant **I Testify the Truth About the Truth** Martineau Dimanche,2022-01-26 Martineau Dimanche received a special gift from God collecting messages visions wisdoms and revelations In I Testify he offers insight into these communications helping humanity understand God's wishes for his people Dimanche addresses a wide array of subjects in his mission to encourage Christians to be true disciples of Jesus to

glorify God the visions dreams and his mission the reality of God's word God's nonstop daily miracles how to inherit the kingdom of God law grace and the consolatory and unity statement and parables and more I Testify provides a host of testimony and examples to help people to glorify God his word and his Holy Spirit It seeks to strengthen the faith of those who want to be saved

Life-study of Revelation Witness Lee, 2023-09-27 The book of Revelation firstly reveals Christ 1 1 and secondly the testimony of Jesus 1 2 In other words this book is concerned with Christ and the church In Revelation Christ and the church are revealed in a unique and particular way Several aspects of Christ such as the vision of Him as the High Priest in the midst of the churches caring for them in love yet with a judging attitude 1 13 16 the vision of Him as the Lion Lamb in the midst of God's throne and of the four living creatures and in the midst of the 24 elders of the universe opening the seven seals of God's universal administration 5 1 6 1 and the vision of Him as Another Mighty Angel coming down from heaven to take possession of the earth 10 1 8 18 1 have never been unveiled as they are in the book of Revelation In this book the revelation of Christ is unique and ultimate In addition to this ultimate revelation of Christ the book of Revelation also unveils many unique aspects of the church as the testimony of Jesus The lampstands in chapter one the great multitude of the redeemed in chapter seven the bright woman with her man child in chapter 12 the harvest with its firstfruits in chapter 14 the overcomers on the sea of glass in chapter 15 the bride ready for marriage and the fighting army of Christ in chapter 19 and the New Jerusalem in chapters 21 and 22 are all the testimony of Jesus which is the Spirit the substance the disposition and the characteristic of the prophecy in this book 19 10 The central content of this book is an unveiling of God's economy concerning Christ and the church presenting the ultimate and consummate revelation of Christ with His full salvation and the church as His loving bride the New Jerusalem In this book we find the full and adequate conclusion not only to the writings of John and to the New Testament but also to the entire divine revelation

The evidence and authority of divine revelation Robert Haldane, 1816

The Canon of the Old and New Testaments Ascertained Archibald Alexander

D.D.,2017-02-15 Continuing to battle the rise of theological liberalism Alexander goes over the history of the formation of the modern Bible Where liberal scholars in the time were treating the Bible as a historical document this book shows the legitimacy of the Biblical documents and the theological authority that each book carries **The Book of Revelation: a New Beginning** Terry L Newbegin,2011-03-23 The Book of Revelation A New Beginning contains the hidden secrets of Saint Johns Revelation and as you know it is one of the most debated and most difficult books of all the scriptures to read and understand because of the extreme symbolism tied to it Man has always assumed the word of Gods prophets and their stories were indisputable just because of their eminence in interpreted them as being true Man has forgotten the history of himself Earth God the origin of the universe and how the scriptures have been documented interpreted and strictly passed down by our ancestors and religious leaders As symbolic as Revelation is it has nothing to do with the end days or even about a solitary Anti Christ as we understand it nor is it about Jesus coming to save you In truth Saint Johns Revelation is your own guide showing you that you no longer need to look at yourself as a sinner because you have bared your cross like Jesus and now the time has come for you to ascend to a higher state of Mind The book of Revelation A New Beginning is a book that will help open the gates of your soul memories so you can become aware of your own divineness and that you are a God too My fellow Gods what is coming to an end is the old ways of perceiving and understanding God It is not that God is a mystery It is you that is the mystery and when fear is resolved within you are then ready to open up to the hidden secrets behind the Book of Revelation that religions have kept as a secret for thousands of years either on purpose or because of ignorance

Skeptical Theism Perry Hendricks,2023-12-06 Is evil evidence against the existence of God Does divine hiddenness provide an evidential problem for theism Is our evolutionary history evidence that God doesn t exist Skeptical theism is the view that humans are cognitively limited in important ways that prevent us from providing affirmative answers to these evidential questions In this book the first monograph published on skeptical theism Perry Hendricks gives careful novel and compelling arguments in favor of skeptical theism and provides a comprehensive defense of it addressing all major objections to skeptical theism on offer The implications of skeptical theism are teased out it undermines the most prominent arguments for atheism on offer which significantly lowers the epistemic status of atheism *The Witness of the Spirit* Bernard Ramm,2011-07-01 The Witness of the Spirit is a clear and comprehensive treatment of the teaching of the Word of God concerning the inner witness of the Spirit of God The book opens with an account of Calvin s and Luther s contribution to this important theme followed by a survey of the theological reflection upon this subject from the days of the early Church Fathers to the present time Dr Ramm shows that the work of the Holy Spirit is not a single subject to be discussed in isolation from the total area of Christian theology therefore he helpfully relates it to the doctrine of the Trinity of revelation redemption and the Scripture and to Christian fellowship and the spiritual life Dr Ramm s book is an invaluable and much needed contribution to a phase of the Spirit s ministry an aspect long neglected in evangelical thought
